These goals are addressed in all lessons in this domain. Rather than repeat these goals as lesson objectives throughout the domain, they are designated here as frequently occurring goals.
This unit does not introduce any new letter-sound correspondences. However, it does introduce the uppercase letters having a different shape than the lowercase letters as well as 17 additional Tricky Words. It also introduces story questions worksheets, which contain questions on the stories in the Reader.

Warm-Up

In the first part of the Warm-Up, students will either practice blending two-syllable words or review previously taught Tricky Words. In the second part of the Warm-Up, students will practice letter-sound correspondences for sounds and spellings taught.

Uppercase Letters

In previous units, students were only asked to decode uppercase letters closely resembling the corresponding lowercase letters (C, F, J, K, M, O, P, S, T, U, V, W). In this unit, students are introduced to the remaining uppercase letters, many of which differ from the lowercase equivalents. Students are also given opportunities to practice writing all of the uppercase letters. For each letter, you will model the writing strokes on the board. Students will then practice tracing and copying letters on worksheets, as they did with the lowercase letters. The goal of this unit is for students to be able to recognize uppercase letters and convert them into sounds while reading. It is not overly concerning if students cannot consistently write uppercase letters by the end of this unit. They will practice writing them in Unit 10.

Tricky Words

In this unit, you will introduce 17 more Tricky Words. All of these words are high-frequency words having sounds that cannot be blended using the letter-sound correspondences students have been taught. The Tricky Words introduced in this unit are: when, word, why, to, where, no, I, what, which, so, once, said, says, are, were, here, and there. All ‘wh’ question words are included here with the exception of who; it will be introduced in first grade.

Only a few of these Tricky Words are completely irregular. Most of them have some letters pronounced and written just as one would expect. With each word, we encourage you to teach the parts of each Tricky Word that are regular and can be blended and those parts that are not regular and must simply be remembered.

Once a Tricky Word has been introduced, it is included in the stories and in other materials. In both the Reader and the Workbook the tricky parts of the Tricky Words are underlined in gray. We continue to underline the tricky parts of a word until it has appeared 20 times in the Reader. In the Unit 9 Reader you will notice some Tricky Words from the previous unit are still underlined. These words did not occur 20 times in the previous Reader.

Decodable Reader: Zack and Ann

The decodable Reader for this unit is *Zack and Ann*.

There are many kinds of reading that can be done with the decodable Readers in this program. As they are 100 percent decodable, there is almost no wrong way to use them, provided the stories are assigned in tandem with the lessons. You may use the Readers for partner reading, group reading, silent reading, and
many other kinds of reading. We make specific recommendations in the Teacher Guide. For example, we recommend you allow students to reread a number of the stories. The National Reading Panel (2000) found repeated oral reading has a positive impact on student achievement. However, we understand you need to customize the instruction to meet the needs of your class. As you do this, please remember the small groups you create for reading or skills work should be both flexible and fluid.

Beginning in this unit, you will no longer be encouraged to present the stories as Demonstration Stories before students read them. There is no Big Book provided for this unit or for the following unit.

If you feel the need to present a particular story as a Demonstration Story, (particularly for struggling students) you may still do so, even without a Big Book. Simply use the media disk for Zack and Ann in tandem with a projection system.

We have provided a number of discussion questions for each story. You may use these to discuss the story after students have read the new story.

We encourage you to clarify unknown vocabulary for students and point out newly-taught material before students read each story. Please continue to observe student performance.

In addition to unknown vocabulary, punctuation marks become increasingly important as part of the reading process. Periods, commas, question marks, and exclamation points have been identified and the learning process is ongoing. The apostrophe is used in this unit to denote ownership (e.g., possessive) and it is also used in contractions. At this point in Kindergarten, it is sufficient to identify the apostrophe used in a contraction in simple terms. Students need to be aware of the linguistic capability to shorten two words into one word using the apostrophe.

**Story Questions Worksheets**

Beginning with the first story in Zack and Ann there is a Story Questions Worksheet for each story in the Reader. The Story Questions Worksheets contain simple questions about the stories. Students will be asked to print their answers on handwriting guidelines or make a selection from a set of multiple-choice answers. On the early worksheets, students may answer using single words or phrases. As students become more experienced, encourage them to answer in complete sentences using the question stem.

Keep in mind, students have only partial knowledge of the spellings for vowel sounds. (They have learned a spelling for five of the 18 vowel sounds.) This means while answering questions students may want to write words with sounds for which they have not yet learned a spelling. We have tried to minimize the chances of this happening by asking questions that can be answered using the words in the stories. We also encourage you to accept all phonetically plausible spellings without correction. For example, at this stage, you should accept *hed* as a logical (though incorrect) spelling for *head* and *rist* as a logical spelling for *wrist*. 
Worksheet Instructions

Please note, beginning in this unit, the directions on some worksheets will be replaced by 100 percent decodable student instructions. We give decodable instructions whenever it is possible to do so.

Teacher Resources

At the back of this Teacher Guide, you will find a section titled, “Teacher Resources.” In this section, we have included assorted forms and charts that may be useful.

Student Performance Task Assessment

At the end of this unit, we ask you to administer a Student Performance Task Assessment to students individually. This task assesses their ability to read five sentences. These sentences contain most of the Tricky Words taught in this unit.

Assessment and Remediation Guide

A separate publication, the Assessment and Remidiation Guide, provides further guidance in assessing, analyzing, and remediating specific skills. This guide can be found online at http://www.coreknowledge.org/AR-GK-U9. Refer to this URL for additional resources, mini-lessons, and activities to assist students who experience difficulty with any of the skills presented in this unit.
Lesson 1

Objectives

The following language arts objectives are addressed in this lesson. Objectives aligning with the Common Core State Standards are noted with the corresponding standard in parentheses. Refer to the Alignment Chart for additional standards addressed in all lessons in this unit.

- Orally blend sounds to form words, e.g., given the sounds /k/-. /a/-/t/, blend to make cat (RF.K.2d)
- Add or substitute phonemes to spoken one-syllable words (RF.K.2e)
- Demonstrate basic knowledge of one-to-one letter-sound correspondences by producing the primary or basic code sound for every consonant (RF.K.3a)
- Read high-frequency words identified as Tricky Words: when, word (RF.K.3c)
- Recognize and name the 26 letters of the alphabet in their upper- and lowercase forms (RF.K.1d)
- Trace, copy, and write from memory the letters of the alphabet accurately in upper- and lowercase form (L.K.1a)

Warm-Up

Oral Blending and Sound/Spelling Review

In Part A of the Unit 9 Warm-Up, students will either practice blending the sounds in two-syllable words or review Tricky Words. (In this lesson, they will practice blending.) In Part B, you will review digraphs, spelling alternatives, and other spellings taught using Large Cards.

Part A

In this unit, we return to the finger motions used to reinforce blending in the earlier part of the program. In this fine motor exercise, each sound is represented by a tap of the thumb to one of the other fingers. For example, for the word *black*, you would tap your thumb and forefinger together for the /b/ sound, your thumb and middle finger for the /l/ sound, your thumb and ring finger for the /a/ sound, and your thumb and pinkie for the /k/ sound. When all individual sounds have been made, symbolize the blending of the sounds by forming a fist.

- Tell students you will say sounds for them to blend into words.
- Say the first word in a segmented fashion, marking each sound with a finger tap. Start with a thumb-forefinger tap.
- Say the blended word and form a fist.
- Repeat and have students tap and blend the sounds in the word.

1. (4) /b/ /e/ /t/ /er/ > better
2. (4) /b/ /u/ /t/ /er/> butter
3. (4) /m/ /u/ /t/ /er/ > mutter
4. (4) /m/ /u/ /th/ /er/ > mother
5. (3) /u/ /th/ /er/ > other
6. (4) /p/ /ae/ /p/ /er/ > paper
7. (3) /m/ /ar/ /k/ > mark
8. (4) /s/ /e/ /n/ /t/ > sent
9. (4) /p/ /e/ /n/ /z/ > pens
10. (4) /s/ /t/ /i/ /k/ > stick

Part B

- Review the Large Cards for 20 spellings previously taught, including digraphs and spelling alternatives.
- Hold up the first Large Card.
- Have students say the sound represented on the card. If the spelling is a letter team, students should also name the letters.
- Continue with the remaining cards.
Introducing the Tricky Words 10 minutes

Today’s Tricky Words: *when, word*

- Remind students most words in English “play by the rules” and are pronounced exactly the way you would expect, but some do not. Words that do not “play by the rules” are called *Tricky Words*.

- Remind students, even in a Tricky Word, some parts are pronounced just as you would expect. Usually, only one or two letters are tricky.

**Tricky Word: when**

- Have students ask some questions with the question word *when*.

- In some regions of the country, the letters ‘wh’ in this Tricky Word are pronounced with an aspirated /w/ sound.

- If students need additional practice reading Tricky Words, you may select appropriate Pausing Point exercises from those addressing reading Tricky Words and the activities in Unit 9, Section 1 of the Assessment and Remediation Guide.

- Tell students some of the Tricky Words they will learn today and in the next few lessons are words we use to ask questions.

- Write the Tricky Word *when* on the board and ask students how they would pronounce it by blending. (They may say /w/ /h/ /e/ /n/.)

- Tell students we actually pronounce this word /w/ /e/ /n/ as in, “When does school start?”

- Circle the letter ‘e’ and explain it is pronounced just as one would expect, as /e/.

- Circle the letter ‘n’ and explain it is also pronounced just as one would expect, as /n/.

- Underline the letters ‘w’ and ‘h’ and explain these letters make up the tricky part of the word. Students would probably expect these letters to be pronounced separately as /w/ /h/, but these two letters work together to stand for the /w/ sound.

- Tell students when reading *when*, they have to remember to pronounce the letters ‘w’ ‘h’ as /w/ in the word *when*.

- Tell students as they write *when*, they have to remember to spell the /w/ sound with the two letters ‘w’ ‘h’.

**Tricky Word: word**

- Have students use *when* and *word* in oral sentences.

- Write the Tricky Word *word* on the board and ask students how they would pronounce it by blending. (They may say /w/ /o/ /r/ /d/.)

- Tell students we actually pronounce this word /w/ /er/ /d/ as in, “What word is this?”

- Circle the letter ‘w’ and explain it is pronounced just as one would expect, as /w/.

- Circle the letter ‘d’ and explain it is also pronounced just as one would expect, as /d/.

- Underline the letters ‘o’ and ‘r’ and explain these letters make up the tricky part of the word. Students would probably expect these letters to be pronounced separately as /o/ /r/, but these two letters work together to stand for the /er/ sound.
• Tell students when reading word, they have to remember to pronounce the letters ‘o’ ‘r’ as /er/.
• Tell students when writing word, they have to remember to spell the /er/ sound with the letters ‘o’ ‘r’.

**Introducing the Uppercase Letters**

**Introduction to Uppercase Letters**

- Tell students for the next few lessons they will be learning about uppercase letters.
- Explain that each letter in the alphabet has two types of letters. The large type is called the uppercase or capital letter and the small type is called the lowercase or small letter.
- Remind students they have been working mostly with the lowercase letters, but they have seen some uppercase letters, for example, ‘K’ as in Kit and ‘S’ as in Sam.
- Explain that we use uppercase letters for the first letter in a person’s name and for the first letter of the first word in a sentence.
- Refer to the sentence you wrote on the board for Advance Preparation.
- Underline the uppercase letters.
- Ask students to explain why some words are capitalized.
- Tell students some uppercase letters look just like the lowercase letters. The uppercase ‘S’ and the lowercase ‘s’ look the same, but the uppercase letter is bigger. The same is true for the uppercase ‘C’ and the lowercase ‘c’.
- Tell students some uppercase letters have a different shape than their lowercase partners. Students will learn to recognize and write several uppercase letters over the next few lessons.

**Today’s Letters: A, B, C, D**

- Tell students you are going to show them how to write uppercase letters for the first four letters of the alphabet, ‘A’, ‘B’, ‘C’, and ‘D’.
- Write a lowercase ‘a’.
- Ask students to name the letter and point out this is a lowercase ‘a’. Also point out the letter is written completely below the dotted line.
- Write an uppercase ‘A’ next to the lowercase ‘a’, describing what you are doing using the phrases provided below.
- Tell students the uppercase letter ‘A’ starts at the top line. It touches both the top line and the bottom line. All uppercase letters stretch from the top line to the bottom line.
- Point out uppercase ‘A’ has a very different shape than the lowercase ‘a’.
• Model writing the ‘A’ two or three times, using the writing stroke cues.

• Have students write the uppercase and lowercase letters, ‘A’ and ‘a’ in the air with a pointed finger while saying whether the letter is uppercase or lowercase.

• Repeat these steps for ‘B’, ‘C’, and ‘D’, pointing out which uppercase letter looks more or less like the lowercase letter (‘C’) and which ones do not (‘B’ and ‘D’).

**Practice**

20 minutes

**Handwriting Uppercase Letters**

• Distribute and display Worksheet 1.1.

• Please note this is the first worksheet with decodable directions for students. The word caps is used for capitals because it is decodable. Have a student read the instructions to the class.

• Tell students another name for uppercase is capital. Caps is a short way to say and write capital.

• Show students how to trace the gray dotted letters and how to write the letters, using the black dots as starting points.

• At the bottom of the page, show students how to read, trace, and write the Tricky Words.

• Display the back of the worksheet, and ask students to identify the first uppercase letter.

• Ask students to locate the matching lowercase letter.

• Have students draw a line from the uppercase ‘A’ to the lowercase ‘a’, following your example.

• Continue demonstrating until students are ready to work independently.

---

Worksheet 1.1

Beginning in this unit, some worksheets will have decodable directions for students.

If students need additional practice with uppercase letters, you may select appropriate Pausing Point exercises from those listed under “Recognize and Write Uppercase Letters” and the activities in Unit 9, Section III of the Assessment and Remediation Guide.
Take-Home Material

Writing and Tricky Word Practice

- Have students give Worksheet 1.2 to a family member.

Code Knowledge

- Before today’s lesson: If students attempted to read 1,000 words in a trade book, on average 414 of those words would be completely decodable.

- After today’s lesson: If students attempted to read 1,000 words in a trade book, on average 418 of those words would be completely decodable.

- The statistics above do not take capital letters into account. Therefore, the increase in the statistics is due to the teaching of the Tricky Words when and word. In natural text, however, the ability to recognize uppercase letters does increase the number of words a student can decode.

- When is the 35th most common word in English.

- Word is one of the 300 most common words in English—and hard to avoid in a reading program.
Lesson 2

☑ Objectives

The following language arts objectives are addressed in this lesson. Objectives aligning with the Common Core State Standards are noted with the corresponding standard in parentheses. Refer to the Alignment Chart for additional standards addressed in all lessons in this unit.

☑ Read high-frequency words identified as Tricky Words: why, to (RF.K3c)

☑ Read decodable text that incorporates the letter-sound correspondences that have been taught with purpose and understanding (RF.K.4)

☑ Use phonics skills in conjunction with context to confirm or self-correct word recognition and understanding, rereading as necessary (RF.K.4)

☑ With prompting and support, ask and answer questions (e.g., who, what, where, when) requiring literal recall and understanding of the details and/or facts of a fiction text (RL.K.1)

☑ With prompting and support, use narrative language to describe characters, setting, things, events, actions, a scene, or facts from a fiction text that has been read independently (RL.K.3)

☑ With prompting and support, ask and answer questions about unknown words and phrases from a fiction text that has been read independently (RL.K.4)

☑ With prompting and support, describe illustrations from a fiction text read independently, using the illustrations to check and support comprehension of the story (RL.K.7)

Note to Teacher

This is the first lesson that includes a story comprehension worksheet. There is one comprehension worksheet for each story in the Zack and Ann Reader.

The story comprehension worksheets are intended to be used after students have read the story at least once. These worksheets are a good way for students to practice handwriting and develop their writing skills. They are also a good way for you to monitor reading comprehension. Although the questions on these early worksheets are very simple; they will become more challenging and open-ended as students progress through the program.

Introducing the Tricky Words 10 minutes

Today’s Tricky Words: why, to

Tricky Word: why

• Write the Tricky Word why on the board and ask students how they would pronounce it by blending. (They may have trouble saying the word since they have only learned ‘y’ as a consonant.)

• Explain we actually pronounce this word /w/ /ie/ as in, “Why is the sky blue?”

• Underline the letters ‘w’ and ‘h’ and tell students these letters make up the tricky part of the word, just like in when. This is another example of /w/ spelled ‘wh’.

• Underline the letter ‘y’ and explain it is the second tricky part of the word. They would probably expect this letter to be pronounced /y/, but it is pronounced /ie/.

• Tell students when reading why, they have to remember to pronounce the letters ‘w’ ‘h’ as /w/ and the letter ‘y’ as /ie/.

• Tell students when writing why, they have to remember to spell the /w/ sound with the letters ‘w’ ‘h’ and the /ie/ sound with the letter ‘y’.

Tricky Word: to

• Write the Tricky Word to on the board and ask students how they would pronounce it by blending. (They may say /t/ /o/.)

• Explain we pronounce this word /t/ /oo/ as in, “Let’s go to the store.”

• Circle the letter ‘t’ and explain it is pronounced just as one would expect, as /t/.

• Underline the letter ‘o’ and explain it is the tricky part of the word. They would probably expect this letter to be pronounced /o/, but it is pronounced /oo/.

• Tell students when reading to, they have to remember to pronounce the letter ‘o’ as /oo/.

• Tell students when writing to, they have to remember to spell the /oo/ sound with the letter ‘o’.
**Reviewing the Tricky Words**  
15 minutes

**Tricky Word Practice**

- Distribute Worksheet 2.1.
- Tell students they will practice writing Tricky Words.
- Write *when* on the board and have students read it.
- Have students copy *when* onto the first handwriting guide on the worksheet (see Illustration 1). They should say the name of each letter as they copy the word.

1. **when**
2. **word**
3. **why**
4. **to**
5. **one**
6. **from**
7. **was**

- Erase the word *when* from the board.
- Have students fold their worksheet along the dotted line and position it so the word they copied is facing the desk and the blank handwriting guides are facing up (see Illustration 2).
- Have students write *when* from memory on the top handwriting guide (see Illustration 3). They should say the name of each letter as they write the word.
- Tell students to unfold their worksheets and compare the word they just wrote with the word they copied earlier (see Illustration 4).
- Have students correct the word if needed.
- Repeat these steps with the remaining Tricky Words.

**Whole Group-Reading Time**  
20 minutes

**“The Bad Crab”**

If students will benefit from continued story demonstration, please demonstrate reading the story. Use the Media Disk for *Zack and Ann*, or read from the Reader and have students follow along in their Readers.
Introducing the Reader

- Give each student a Zack and Ann Reader.
- Point out the title of the book printed on the cover. Remind students a book’s title tells about the book. Ask students to read the title of the book.
- Review the parts of the book (cover page, title page, back cover, page numbers) if necessary.
- As students are formally introduced to uppercase letters, call their attention to these letters in the Reader and story titles.

Challenging Vocabulary

- Before reading today’s story, preview the following vocabulary with students. Write the words on the board for students to blend and read. Explain the meaning and use the word in an oral sentence.
  1. spot—to see
  2. snap—try to bite in an angry way
  3. pass the word—tell other people; spread the news

Note: You may also want to point out that the word spot can have other meanings. Students may be more familiar with the word spot referring to a small dot or mark. In today’s story, it has the meaning noted above.

- As in Unit 8, we have provided optional vocabulary sheets for use at your discretion throughout the unit. Some teachers encourage students to create unit glossaries by stapling the pages together at the end of the unit.
- Review the use of the apostrophe as an indication of ownership, e.g. possessive.

Purpose for Reading

- Tell students they will read a story about Zack, Zack’s family, and a crab. Ask students to pay special attention to the story so they can tell you the setting of the story.

Reading the Story

- Read the story “The Bad Crab” as a group, asking students to read a page at a time.
- Pause after students read every 1–2 pages to ask specific questions about the text and illustrations. For example, after reading page 2, ask students to look at the illustration on page 3 to make a prediction about where the story takes place.
- Encourage students to engage with the story by asking, “Are there any questions you have to help clarify your understanding of the story?”
Wrap-Up

If students need additional practice reading, you may use the activities in Unit 9, Section II of the Assessment and Remediation Guide.

Discuss the following questions as a class. Ask students to respond in complete sentences while incorporating the question stem in their response.

Discussion Questions on “The Bad Crab”

1. **Literal** What is the setting of the story? (The story is set at the beach.)
2. **Literal** Who are the main characters in the story? (The main characters are: Zack, Ann, Mom, Dad, and the crab.)
3. **Inferential** Why does Zack’s family try to stay away from the crab? (The crab snaps and tries to hurt people.)
4. **Inferential** What might have happened if Zack hadn’t told the kids on the next bench about the crab? (Accept reasonable answers.)

Reviewing the Story

Story Questions Worksheet: “The Bad Crab”

- Distribute and display Worksheet 2.2.
- Ask students to read the first question.
- Ask students to identify the correct answer. Have students look back in their Readers to confirm the correct response.
- Have students shade the circle next to the correct answer, following your example.
- Continue demonstrating until students are ready to work independently.

Code Knowledge

- Before today’s lesson: If students attempted to read 1,000 words in a trade book, on average 418 of those words would be completely decodable.
- After today’s lesson: If students attempted to read 1,000 words in a trade book, on average 448 of those words would be completely decodable.
- *Why* is the 167th most common word in English.
- *To* is the 4th most common word in English.

**Advance Preparation**

Write the following Tricky Words on yellow large cards, one word per card: **the, a, of, all, one, from, was, when, word, why, to.** Write the following sentence on the board, “This is Ann and this is Bob.”
Tricky Word Flash Card Review and Sound/Spelling Review

**Part A**

- Use the prepared Tricky Words written on large yellow cards, one word per card: *the*, *a*, *of*, *all*, *one*, *from*, *was*, *when*, *word*, *why*, *to*.
- Hold up a card briefly (flash) and have students read the word and use it in an oral sentence.
- Complete the remaining cards.
- Save the cards for future use.

**Part B**

- Review the Large Cards for the 20 spellings previously taught, including digraphs and spelling alternatives.
- Hold up the first Large Card.
- Have students say the sound represented on the card. If the spelling is a letter team, have students name the letters.
- Continue with the remaining cards.

**Reviewing the Uppercase Letters**

**Uppercase Letter Review**

- Remind students what they have learned about uppercase letters, also known as capital letters.
- Referring to the sentence you previously wrote on the board, explain *Ann* and *Bob* are capitalized because they are names.
- Explain *This* is capitalized because it is at the beginning of a sentence.
- Remind students each letter in the alphabet has an uppercase version and a lowercase version.
- Remind students some uppercase letters look just like the lowercase letters, but others have a completely different shape. Compare ‘C’/’c’ with ‘D’/’d’.
- Ask students when to use capital letters (for the names of people and at the beginning of sentences).
Today's Letters: E, F, G, H

- Tell students you are going to show them how to write uppercase letters for four more letters of the alphabet, ‘E’, ‘F’, ‘G’, and ‘H’.
- Write a lowercase ‘e’.
- Point out the lowercase ‘e’ is written below the dotted line.
- Write an uppercase ‘E’ next to the lowercase ‘e’, describing what you are doing using the phrases below.
- Explain this uppercase letter starts at the top line. It touches both the top line and the bottom line. Remind students all uppercase letters stretch from the top line to the bottom line.
- Point out uppercase ‘E’ has a very different shape than the lowercase ‘e’.
- Model writing the letter two or three more times, saying the stroke cues aloud.
- Have students write the uppercase and lowercase letters in the air with a pointed finger while saying whether the letter is uppercase or lowercase.
- Repeat these steps for ‘F’, ‘G’, and ‘H’, pointing out which uppercase letter looks more or less like the lowercase letter (‘F’) and which ones do not (‘G’ and ‘H’).

Handwriting Worksheet

- Distribute and display Worksheet 3.1.
- Show students how to trace the gray dotted letters and how to write the letters, using the black dots as starting points.
- At the bottom of the page, show students how to read, trace, and write the Tricky Words.
- Display the back of the worksheet, and ask students to identify the first uppercase letter.
- Ask students to locate the matching lowercase letter.
- Have students draw a line from the uppercase ‘A’ to the lowercase ‘a’, following your example.
- Continue demonstrating until students are ready to work independently.

Small Group—Reading Time

20 minutes

“Ann’s Dress”

Challenging Vocabulary

Before reading today’s story, preview the following vocabulary with students. Write the words on the board so students can blend and read the words. Explain the meaning of each word and use it in an oral sentence.

1. **block**—the distance between two streets
2. **rips**—small tears in fabric or paper

**Note:** You may also want to point out that the word *block* can have other meanings. Students may be more familiar with the word *block* referring to a toy. In today’s story, it has the meaning noted above.

- Optional vocabulary sheets are available in the Workbook for use at your discretion.
- Review the use of the apostrophe as an indication of ownership, e.g. possessive.

Purpose for Reading

- Tell students they will read a story about a dress Ann buys. Ask students to pay special attention to the story so they can tell you what happens to Ann’s dress.
Reading the Story

- Both this lesson and the following lesson have time designated to read “Ann’s Dress” in small groups. We recommend you read with Group 1 students who may need more support during this lesson while Group 2 students, who are more independent, partner read. Be sure to record anecdotal notes regarding students’ reading progress.

△ Group 2: (Students who are more able to work independently are in Group 2.) Have students take out their Readers, sit with their partners, and take turns reading “Ann’s Dress” aloud. Students who finish early should reread the story “The Bad Crab.” You may also wish to assign any of the optional vocabulary worksheets for completion. Students should not read ahead.

△ Group 1: (Students who need more support are in Group 1.) Have students follow along in their Readers as one student at a time reads “Ann’s Dress” aloud. Pause at the end of each page to ask 1–2 questions to ensure students understand the text. Read the story a second time, using read-aloud strategies that are best for students. If you have time, read “The Bad Crab” in the same fashion. Alternatively, you may use different remediation exercises addressing the specific needs of these students.

Wrap-Up

- Discuss the following questions as a class. Student responses should be given in complete sentences incorporating the question stem in the answer.

### Discussion Questions on “Ann’s Dress”

2. *Literal* What is the color of the dress? (The dress is red.)
3. *Literal* What happens to the dress after it falls from the cab? (The dress is damaged.)
4. *Literal* Describe what the dress looks like at the end of the story. (Accept reasonable answers.)

- Follow the instructions in Lesson 1.

1. (4) /r/ /u/ /n/ /er/ > runner
2. (4) /r/ /u/ /b/ /er/ > rubber
3. (4) /r/ /u/ /d/ /er/ > rudder

Part B

If students are ready to review more than 20 spellings, use the Large Cards for all of the spellings taught.

- Review the Large Cards for the 20 spellings previously taught. Include digraphs and spelling alternatives.
- Use the procedures described in previous lessons.

Introducing the Tricky Words

Today’s Tricky Words: where, no, I

Tricky Word: where

- Write the Tricky Word where on the board and ask students how they would pronounce it by blending. (They may say /w/ /h/ /e/ /r/ /e/ or /w/ /e/ /r/ /e/.)
- Tell students we pronounce this word /w/ /ae/ /r/ as in, “Where are your shoes?”
- Underline the letters ‘w’ and ‘h’ and explain these letters make up a tricky part of the word, just like in when and why. This is another example of /w/ spelled ‘wh’.
- Underline the letters ‘e’, ‘r’, and ‘e’ and tell students these letters make up the second tricky part of the word. Students would probably expect these letters to be pronounced separately as /e/ /r/ /e/, but these three letters work together to stand for the /ae/ /r/ sounds.
- Tell students when reading where, they have to remember to pronounce the letters ‘w’ ‘h’ as /w/ and the letters ‘e’ ‘r’ ‘e’ as /ae/ /r/.
- Tell students when writing where, they have to remember to spell the /w/ sound with the letters ‘w’ ‘h’ and the /ae/ /r/ sounds with the letters ‘e’ ‘r’ ‘e’.
**Tricky Word: no**

- Write the Tricky Word *no* on the board and ask students how they would pronounce it by blending. (They may say /n/ /o/.)
- Explain that we pronounce this word /n/ /oe/ as in, “No running in the hall!”
- Circle the letter ‘n’ and explain it is pronounced just as one would expect, as /n/.
- Underline the letter ‘o’ and explain that it is the tricky part of the word. They would probably expect this letter to be pronounced /o/, but it is pronounced /oe/.
- Tell students when reading *no*, they have to remember to pronounce the letter ‘o’ as /oe/.
- Tell students when writing *no*, they have to remember to spell the /oe/ sound with the letter ‘o’.

**Tricky Word: I**

- Write the Tricky Word *I* on the board and ask students how they would expect this letter to be pronounced. (They may say /i/ or the letter name.)
- Tell students we pronounce this word /ie/, just like the letter name, as in, “I can run fast.”
- Underline *I* and explain the whole word is tricky.
- Explain another tricky thing about this word is it is always written with an uppercase letter—even if it is not the first word in a sentence. We treat this word like a person’s name.

---

**Practice**

**15 minutes**

**Circle and Copy**

- Distribute and display Worksheet 5.1.
- Ask students to read the first sentence.
- Ask students to identify the picture that matches the first sentence.
- Have students circle the matching picture.
- Continue demonstrating until students are ready to work independently.
- Don’t forget the sentences on the back.
**Small Group Work**

**Group 2**

- Distribute Worksheet 5.2.
- Have students complete each sentence using the appropriate Tricky Word.
- Write the following decodable sentences on the board. If students finish early, they may read, copy, and illustrate some of the sentences. Students may also partner read “The Bad Crab” and “Ann’s Dress.” Or you may wish to assign any of the optional vocabulary worksheets for completion.

<table>
<thead>
<tr>
<th>1. The grass is long.</th>
<th>3. The kid fell from the branch.</th>
</tr>
</thead>
<tbody>
<tr>
<td>2. One kid is in the pond.</td>
<td>4. The cat has one black spot.</td>
</tr>
</tbody>
</table>

**Group 1**

- Distribute Worksheet 5.2.
- Explain to students three Tricky Words are printed at the top of the worksheet. Each of these Tricky Words completes one of the sentences printed below.
- Ask students to read the Tricky Words.
- Demonstrate reading the first sentence three times: once with the Tricky Word *where*, once with the Tricky Word *why*, and once with the Tricky Word *to*.
- Ask students which Tricky Word completes the sentence.
- Have students print the Tricky Word *why* on the line provided, following your example.
- Complete the remaining sentences, including those on the back.
Code Knowledge

- Before today’s lesson: If students attempted to read 1,000 words in a trade book, on average 448 of those words would be completely decodable.

- After today’s lesson: If students attempted to read 1,000 words in a trade book, on average 456 of those words would be completely decodable.

- *I* is the 25th most common word in English.

- *No* is the 63rd most common word in English.

- *Where* is the 100th most common word in English.

- Once students have learned these Tricky Words, some may be able to identify words having similar patterns. For example, a student who has learned *no* may be able to determine the pronunciation of *go* using analogy. However, we do not view *go* and similar words as decodable until the ‘o’ is explicitly taught as a spelling alternative for the /oe/ sound in Grade 1.
Lesson 6

- Use phonics skills in conjunction with context to confirm or self-correct word recognition and understanding, rereading as necessary (RF.K.4)
- With prompting and support, ask and answer questions (e.g., who, what, where, when) requiring literal recall and understanding of the details and/or facts of a fiction text (RL.K.1)
- With prompting and support, use narrative language to describe characters, setting, things, events, actions, a scene, or facts from a fiction text that has been read independently (RL.K.3)
- With prompting and support, ask and answer questions about unknown words and phrases from a fiction text that has been read independently (RL.K.4)

Today’s Letters: I, J, K, L, M

- Tell students you are going to show them how to write uppercase letters for four more letters of the alphabet, ‘I’, ‘J’, ‘K’, ‘L’, and ‘M’.
- Write a lowercase ‘i’ on the board.
- Point out the lowercase ‘i’ is written mostly below the dotted line.
- Write an uppercase ‘I’ next to the lowercase ‘i’, describing what you are doing using the phrases below.
- Point out the uppercase ‘I’ has a very different shape than the lowercase ‘i’.
- Model writing the letter two or three more times, using the writing stroke cues shown.
- Have students write the uppercase and lowercase letters in the air with a pointed finger while saying whether it is uppercase or lowercase.
- Repeat these steps for ‘J’, ‘K’, ‘L’, and ‘M’, pointing out which uppercase letters look more or less like the lowercase letters (‘J’ and ‘K’) and which ones do not (‘L’ and ‘M’).

Practice

Handwriting Worksheet

- Distribute and display Worksheet 6.1.
- Show students how to trace the gray dotted letters and how to write the letters, using the black dots as starting points.
- At the bottom of the page, show students how to read, trace, and write the Tricky Words.
If students need additional practice with uppercase letters, you may select appropriate Pausing Point exercises from those listed under “Recognize and Write Uppercase Letters” and the activities in Unit 9, Section III of the Assessment and Remediation Guide.

• Display the back of the worksheet, and ask students to identify the first uppercase letter in the box.
• Ask students to locate the matching lowercase letter.
• Have students write an uppercase ‘B’ next to the lowercase ‘b’, following your example.
• Continue demonstrating until students are ready to work independently.

Whole Group-Reading Time 20 minutes

“Zack Gets a Pet”

Challenging Vocabulary

• Before reading today’s story, preview the following vocabulary with students.

1. **shrug**—to lift one’s shoulder as if to say “I don’t know” or “I don’t care one way or the other”
2. **buck**—one dollar
3. **cash**—money

Note: You may also want to point out that the word buck can have other meanings. Students may be more familiar with the word buck referring to a male deer. In today’s story, it has the meaning noted above.

Reading the Story

• Read “Zack Gets a Pet,” using a group reading approach appropriate for students.
• Pause as students read every 1–2 pages to ask questions ensuring student understanding of the text.
Wrap-Up

• Discuss the following questions as a class. Students should answer in complete sentences incorporating the question stem in their response.

Discussion Questions on “Zack Gets a Pet”

1. **Literal** What four pets does Zack ask about? (Zack asks about a cat, rat, bug, and fish.)
2. **Literal** Who does not want cats? (Dad does not want cats.)
3. **Literal** Which pet does Zack buy in the end? (Zack gets a fish.)

Introducing the Tricky Words

**Today’s Tricky Words: what, so**

**Tricky Word: what**
- Write the Tricky Word *what* on the board and ask students how they would pronounce it by blending. (They may say /w/ /h/ /a/ /t/ or /w/ /a/ /t/.)
- Tell students the word is pronounced /w/ /u/ /t/ as in, “What will I wear today?”
- Circle the letter ‘t’ and explain it is pronounced just as one would expect, as /t/.
- Underline the letters ‘w’ and ‘h’ and explain these letters make up a tricky part of the word, just like in *when*, *why*, and *where*. This is another example of /w/ spelled ‘wh’.
- Underline the letter ‘a’ and explain that it is the second tricky part of the word. They would probably expect this letter to be pronounced /a/, but it is pronounced /u/. Tell students when reading *what*, they have to remember to pronounce the letters ‘w’ ‘h’ as /w/ and the letter ‘a’ as /u/.
- Tell students when writing *what*, they have to remember to spell the /w/ sound with the letters ‘w’ ‘h’ and the /u/ sound with the letter ‘a’.
**Tricky Word: so**

- Ask students to use the word so in an oral sentence.

- Write the Tricky Word so on the board and ask students how they would pronounce it by blending. (They may say /s/ /o/.)

- Explain the word is pronounced /s/ /oe/ as in, “We went to the store so we could buy milk.”

- Circle the letter ‘s’ and explain it is pronounced just as one would expect, as /s/.

- Underline the letter ‘o’ and explain that it is the tricky part of the word. They would probably expect this letter to be pronounced /o/, but it is pronounced /oe/.

- Tell students so is similar to a Tricky Word they have already learned: no. Write no on the board and point out the letter ‘o’ is pronounced /oe/, like the letter name, in both words.

- Tell students when reading so, they have to remember to pronounce the letter ‘o’ as /oe/.

- Tell students when writing so, they have to remember to spell the /oe/ sound with the letter ‘o’.

### Reviewing the Uppercase Letters 10 minutes

**Who Can Show Me?**

- Ask students to stand beside their desks.

- Tell students they will use their index (pointer) finger to write the uppercase letters in the air.

- Name the uppercase letters taught to date and say to students, “Who can show me _____?” Insert any letter A–M in the blank.

- Students show you the letter by writing it in the air.

### Introducing the Uppercase Letters 10 minutes

**Today’s Letters: N, O, P, Q, R**

- Tell students you are going to show them how to write uppercase letters for five more letters of the alphabet, ‘N’, ‘O’, ‘P’, ‘Q’, and ‘R’.

- Write a lowercase ‘n’ on the board.

- Point out the lowercase ‘n,’ written mostly below the dotted line.

- Write an uppercase ‘N’ next to the lowercase ‘n’, describing what you are doing using the phrases below.

- Point out the uppercase ‘N’ has a different shape than the lowercase ‘n’.
• Model writing the letters two or three more times, using the writing stroke cues provided.

• Have students write the uppercase and lowercase letters in the air with a pointed finger while saying whether it is uppercase or lowercase.

• Repeat these steps for ‘O’, ‘P’, ‘Q’, and ‘R’ pointing out which uppercase letters look more or less like the lowercase letters (‘O’ and ‘P’) and which do not (‘N’, ‘Q’, ‘R’).

Practice

Handwriting Worksheet

• Distribute and display Worksheet 7.1.

• Show students how to trace the gray dotted letters and how to write the letters, using the black dots as starting points.

• At the bottom of the page, show students how to read, trace, and write the Tricky Words.

• Display the back of the worksheet, and ask students to read the first question.

• Ask students if the answer to the first question is yes or no.

• Tell students they will answer each question with yes or no.

• Have students write no on the line provided, following your example.

• Continue demonstrating until students are ready to work independently.

Take-Home Material

Tricky Words

• Have students give Worksheet 7.2 to a family member.
Code Knowledge

- Before today’s lesson: If students attempted to read 1,000 words in a trade book, on average 456 of those words would be completely decodable.

- After today’s lesson: If students attempted to read 1,000 words in a trade book, on average 467 of those words would be completely decodable.

- The statistics above do not take capital letters into account. In natural text, however, the ability to recognize uppercase letters does increase the number of words a student can decode.

- *What* is the 42\textsuperscript{nd} most common word in English.

- *So* is the 50\textsuperscript{th} most common word in English.

- Once students have learned these Tricky Words, some may be able to recognize words having similar patterns. For example, a student who has learned *so* may be able to determine the pronunciation of *go* using analogy. However, we do not view *go* and similar words as decodable until the ‘o’ is explicitly taught as a spelling alternative for the /oe/ sound in Grade 1.

**Warm-Up**  

**Tricky Word Review**

- Using your prepared set of Tricky Word cards, hold up a card and have students read the word and then use it in an oral sentence.
- Complete the remaining cards.
- Save the cards for future use.

**Chaining**  

**Large Card Chaining**

- Once the word has been spelled correctly, say to students, “If that is *deck*, show me *peck*.”
- Student with the unneeded letter should be seated and student with new letter should come forward.
- The students should rearrange themselves to make the new word.
- Continue this process until all of the words in the first chain have been spelled.
- Have the students trade cards.
- Proceed to the next chain.

1. **1. deck > peck > pick > pill > will > hill > hiss > miss > mess > mass**
2. **2. buff > huff > puff > puck > pack > tack > shack > shall > shell > bell**

**Dictation**  

**Letter Dictation**

- Distribute paper, pencils, and uppercase letter cards A–P.
- As you distribute each letter, ask students to give the name and sound of each letter.
- Say a letter name and tell students whoever is holding the card for that uppercase letter should stand up and display the letter.
- Remind the remaining students how the uppercase letter is printed, and encourage them to write the uppercase letter in the air. Have students print the letter on paper.
- Repeat for the remaining letters, as time permits.
Small Group—Reading Time

“On the Mat”

Purpose for Reading

- Tell students they are going to read a story about Zack and Ann and their pals. Ask students to pay special attention to the story so they can tell you what Zack, Ann, and their pals are doing in the story.

Reading the Story

If you have time, read “Zack Gets a Pet” and “Ann’s Dress.” Alternatively, you may use a different exercise addressing the specific needs of students.

Wrap-Up

- Discuss the following questions as a class asking students to respond using complete sentences and incorporating the question stem in their response.

Discussion Questions on “On the Mat”

1. Literal What are Zack and Ann and their pals doing? (Zack, Ann, and their pals are playing on a mat.)
2. Inferential Where do you think Zack, Ann, and their pals are? (Accept reasonable answers.)
3. Literal Who is on the bottom of the pyramid? (Zack, Ann, and Quinn are on the bottom of the pyramid.)

If students need additional practice reading, you may use the activities in Unit 9, Section II of the Assessment and Remediation Guide.
Lesson 10

Objectives

The following language arts objectives are addressed in this lesson. Objectives aligning with the Common Core State Standards are noted with the corresponding standard in parentheses. Refer to the Alignment Chart for additional standards addressed in all lessons in this unit.

**Advance Preparation**

Write the uppercase letters taught in this unit on large cards or pieces of colored paper. You will use these in the Flash Card Review and in the following lessons. You may wish to write these on card stock or laminate them for future use.

---

**Warm-Up**

**Tricky Word Review**

- Take out the set of Tricky Word cards, hold up a card and have students read the word and use it orally in a sentence.
- Complete the remaining cards.
- Save the cards for future use.

---

**Introducing the Tricky Word**

**Today's Tricky Word: which**

- Write the Tricky Words *when, where, why,* and *what* on the board and remind students in these words the /w/ sound is spelled ‘wh’. They are also all question words.
- Tell students there is one more question word to learn.

**Tricky Word: which**

- Write the Tricky Word *which* on the board and ask students how they would pronounce it by blending. (They may apply the ‘wh’ spelling for /w/, and may pronounce the word correctly: /w/ /i/ /ch/.)
- Tell students this word is pronounced /w/ /i/ /ch/ as in, “Which flower do you like best?”
- Circle the letter ‘i’ and explain it is pronounced just as one would expect, as /i/.
- Circle the spelling ‘ch’ and explain it is also pronounced just as one would expect, as /ch/.
- Underline the letters ‘w’ and ‘h’ and explain these letters make up the tricky part of the word. Similar to *when, why, where,* and *what,* this is another example of /w/ spelled ‘wh’.
- Tell students when reading *which,* they have to remember to pronounce the letters ‘w’ ‘h’ as /w/.
- Tell students when writing *which,* they have to remember to spell the /w/ sound with the letters ‘w’ ‘h’.

---

If students need additional practice reading Tricky Words, you may select appropriate Pausing Point exercises from those addressing reading Tricky Words and the activities in Unit 9, Section I of the Assessment and Remediation Guide.
Reviewing the Uppercase Letters 5 minutes

Flash Card Review

- Using the cards you prepared, display a card for one or two seconds.
- Ask students to read the name of the letter.
- Do the same with the remaining uppercase letters that have been taught.
- Keep cards for the next lesson.

- Ask students to locate the matching lowercase letter.
- Have students draw a line from the uppercase ‘I’ to the lowercase ‘i’, following your example.
- Continue demonstrating until students are ready to work independently.

Small Group-Reading Time

“Fix That Ship”

Challenging Vocabulary

- Before reading today’s story, preview the following vocabulary with students. It may be helpful to have students refer to the illustrations in the Reader as you explain some of the words.

1. mast—a pole rising from the bottom of a ship; it often has a sail attached to it
2. dent—a place on an object that is pushed in
3. rust—a reddish brown coating that forms on metal exposed to damp air
4. sand—to smooth by rubbing with a special paper with sand glued to it.
5. deck—the floor of a ship
6. drill—to make a hole using a tool called a drill

Note: You may also want to point out that the word sand and drill can have other meanings. Students may be more familiar with the word sand referring to the granular surface of the ocean or seashore. The word drill may be more familiar as it relates to practice such as fire drill. In today’s story, these words have the meanings noted above.

- You may wish to assign any of the optional vocabulary worksheets for completion.
• Review the use of the apostrophe as an indication of ownership, e.g. possessive. Students will also encounter an apostrophe used for the contractions can’t and it’s.

**Purpose for Reading**

• Tell students they are going to read a story about Zack’s dad’s ship. Ask students to pay special attention to the story so they can tell you what was wrong with Zack’s dad’s ship.

**Reading the Story**

✎ **Group 2:** Have students take out their Readers, sit with their partners, and take turns reading “Fix That Ship” aloud. Students who finish early should reread the stories “On the Mat” and “Zack Gets a Pet.” They should not read ahead. You may also wish to assign vocabulary worksheets for completion.

✎ **Group 1:** Have students follow along in their Readers as students read “Fix That Ship” aloud. Read the story a second time, having students participate using group strategies best suited to your group. If you have time, read “On the Mat” and “Zack Gets a Pet” in the same fashion. Alternatively, you may use a different remediation exercise addressing the specific needs of students.

**Wrap-Up**

• Discuss the following questions as a class. Students should respond in complete sentences incorporating the question stem in their response.

**Discussion Questions on “Fix That Ship”**

1. **Literal** What is wrong with Zack’s dad’s ship? (The ship has a crack in the mast, dents, and rust.)
2. **Inferential** Why do you think Dan takes the ship out of water and onto land before fixing it? (Accept reasonable answers.)
3. **Literal** Why does Dan wear a mask? (Dan wears a mask to block the dust.)
4. **Literal** Name some of the things Dan does to fix the ship. (Dan sands the deck, rubs and scrubs, drills and bangs.)
5. **Evaluative** How do you think Dan feels after the ship is fixed? (Accept reasonable answers.)

**Take-Home Material**

**Take-Home Story: “Zack Gets a Pet”**

• Have students give Worksheet 10.8 to a family member.
• Before today’s lesson: If students attempted to read 1,000 words in a trade book, on average 467 of those words would be completely decodable.

• After today’s lesson: If students attempted to read 1,000 words in a trade book, on average 469 of those words would be completely decodable.

• The statistics above do not take capital letters into account. In natural text, however, the ability to recognize uppercase letters does increase the number of words a student can decode.

• Which is the 58th most common word in English.

Introducing the Tricky Words 15 minutes

Today’s Tricky Words: said, says

Tricky Word: said

• Write the Tricky Word said on the board and ask students to pronounce it by blending. (They may say /s/ /a/ /i/ /d/).

• Explain the actual pronunciation of this word is /s/ /e/ /d/ as in, “Did you hear what I said?”

• Underline the letters ‘a’ and ‘i’ and explain these letters make up the tricky part of the word.
Students would probably expect these letters to be pronounced separately as /a/ /i/, but these two letters work together to stand for the /e/ sound.

Tell students when reading *said*, they have to remember to pronounce the letters ‘a’ ‘i’ as /e/.

Tell students when writing *said*, they have to remember to spell the /e/ sound with the letters ‘a’ ‘i’.

**Tricky Word: says**

• Erase the word *when* from the board.

• Have students fold their worksheet along the dotted line and position it so the word they copied is facing the desk and the blank handwriting guides are facing up (see Illustration 2).

• Have students write *when* from memory on the top handwriting guide (see Illustration 3). They should say the name of each letter as they write the word.

• Ask students to unfold their worksheets and compare the word they just wrote with the word they copied earlier (see Illustration 4).

Introducing the Tricky Words

10 minutes

Today's Tricky Words: here, there

Tricky Word: here

- Write the Tricky Word here on the board and ask students how they would blend and pronounce it. (They may say /h/ /e/ /r/ /e/.)
- Explain the actual pronunciation of the word is /h/ /ee/ /r/ as in, “I’m so glad you’re here!”
- Circle the letter ‘h’ and explain it is pronounced just as one would expect, as /h/.
- Underline the letters ‘e’, ‘r’, and ‘e’ and explain that these letters make up the tricky part of the word. The students would probably expect these letters to be pronounced separately as /e/ /r/ /e/, but these three letters work together to stand for the /ee/ /r/ sounds.
- Tell students when reading here, they have to remember to pronounce the letters ‘e’ ‘r’ ‘e’ as /ee/ /r/.
- Tell students when writing here, they have to remember to spell the /ee/ /r/ sounds with the letters ‘e’ ‘r’ ‘e’.

Tricky Word: there

- Write the Tricky Word there on the board and ask students to blend and pronounce it. (They may say /th/ /e/ /r/ /e/ or /th/ /e/ /r/ /e/.)
- Explain we actually pronounce this word /th/ /ae/ /r/ as in, “He kicked the ball over there.”
- Circle the spelling ‘th’ and explain it is pronounced just as one would expect, as /th/.
- Underline the letters ‘e’, ‘r’, and ‘e’ and explain these letters make up the tricky part of the word. They work differently than in here. The students would probably expect these letters to be pronounced /e/ /r/ /e/ or /ee/ /r/ (as in here), but these three letters work together to stand for the /ae/ /r/ sounds.
- Tell students when reading there, they have to remember to pronounce the letters ‘e’ ‘r’ ‘e’ as /ae/ /r/.
- Tell students when writing there, they have to remember to spell the /ae/ /r/ sounds with the letters ‘e’ ‘r’ ‘e’.

The words here and there follow the same pattern as where, which students learned previously.

If students need additional practice reading Tricky Words, you may use any of the Pausing Point exercises addressing reading Tricky Words and the activities in Unit 9, Section I of the Assessment and Remediation Guide.
Reviewing the Tricky Words

Tricky Word Practice: *here, there*

- Distribute Worksheet 17.1.
- Tell students they will practice writing Tricky Words.
- Write *no* on the board and have students read it. Have students copy *no* onto the first handwriting guide on the worksheet (see Illustration 1). They should say the name of each letter as they copy the word.

  1. Distribute Worksheet 17.1.
  2. Tell students they will practice writing Tricky Words.
  3. Write *no* on the board and have students read it. Have students copy *no* onto the first handwriting guide on the worksheet (see Illustration 1). They should say the name of each letter as they copy the word.
  4. Erase the word *no* from the board.
  5. Have students fold their worksheet along the dotted line and position it so the word they copied is facing the desk and the blank handwriting guides are facing up (see Illustration 2).
  6. Have students write *no* from memory on the top handwriting guide (see Illustration 3). They should say the name of each letter as they write the word.
  7. Ask students to unfold their worksheets and compare the word they just wrote with the word they copied earlier (see Illustration 4).
  8. Have students correct the word if needed.
  9. Repeat these steps with the remaining Tricky Words.

- Worksheet 17.1
  - For some students, it might be helpful to say the sounds in the Tricky Words instead of the letter names. For example, while writing the word *no*, they could say */n/ /oe/ instead of 'n' 'o'.
  - If students need additional practice writing Tricky Words, you may complete any of the Pausing Point exercises addressing writing Tricky Words.

1. were
2. are
3. what
4. where
5. which
6. here
7. there

**Note to Teacher**

This lesson and the following four are devoted to review and assessment of Unit 9. Over the next five days of instruction, you should attempt to meet briefly with each student to administer a five-sentence Student Performance Task Assessment for reading.

If you know you will not have enough time to administer the sentence reading assessment, you may have students complete assessment Worksheets 19.3–19.5. Worksheet 19.3 tests students' ability to read Tricky Words. Worksheet 19.4 tests students' knowledge of uppercase letters. Worksheet 19.5 tests students' knowledge of punctuation marks. (These three skills are also tested by the five-sentence reading test, albeit less directly.) Keep in mind if you opt to have students complete Worksheets 19.3–19.5 in lieu of the five-sentence reading test (worksheet 19.6), you will be forfeiting the chance to listen to each student read aloud, which is important for identifying individual areas of confusion or concern.

Record all student scores on Record Sheet A or B for the Unit 9 Assessment at the end of this lesson.

Review students’ scores to see if intervention is warranted. If you opt to administer the five-sentence reading test and a significant number of students earn unsatisfactory scores (less than 18 of the possible 27 points), stop at the Unit 9 Pausing Point. If you opt to have students complete Worksheets 19.3–19.5 instead of administering the five-sentence reading test, use the following guidelines when evaluating students’ scores:

- a student who scores less than 6 correct answers on Worksheet 19.3 needs additional practice with Tricky Words,
- a student who scores less than 18 correct answers on Worksheet 19.4 needs additional practice with uppercase letters, and
- a student who scores less than 4 correct answers on Worksheet 19.5 needs additional practice with punctuation marks.

There are activities in the Unit 9 Pausing Point addressing Tricky Words, uppercase letters, and punctuation marks.

Keep the assessment or a record of the results in your assessment portfolio.
Reviewing Punctuation Marks

Punctuation Marks

Note: Students have already seen these punctuation marks in the decodable stories, and you have explained what these punctuation marks mean. In this lesson, you will review this information with students and they will practice writing the punctuation marks.

- Tell students you are going to show them how to make three kinds of punctuation marks used at the end of sentences: a period, a question mark, and an exclamation point.
- Remind students they have already seen these marks at the end of sentences in the stories they have been reading.
- Display the following sentence: Dan ran fast.
- Remind students the dot at the end of this sentence is called a period. A period is used at the end of statements.
- Model writing the dot one more time.
- Display the following sentence: Did Sam bring the book?
- Tell students the mark at the end of this sentence is called a question mark. A question mark is used at the end of questions.
- Model writing the question mark two or three more times, using the short descriptive phrases provided.
- Have students write the question mark in the air.
- Display the following sentence: Help!
- Tell students the mark at the end of this sentence is called an exclamation point. An exclamation point is used at the end of sentences exclaimed or shouted out.
- Model writing an exclamation point two or three more times, using the short descriptive phrases below.
- Have students trace the exclamation point in the air.

Start on the top line.
1. short line down (lift)
2. dot

Start a little below the top line.
1. candy cane (lift)
2. dot

Start on the bottom line.
1. dot
Punctuation Worksheet 15 minutes

- Distribute and display Worksheet 19.1.
- Show students how to trace the gray dotted punctuation marks and how to write the punctuation marks, using the black dots as starting points.
- Display the back of the worksheet.
- Read the first item, being sure to emphasize the question’s intonation.
- Ask students, “Was that a statement, a question, or an exclamation?”
- Have students write a question mark on the line provided, following your example.
- Have students read the sentences back to you with the appropriate intonation.
- Continue demonstrating until students are ready to work independently.

1. Can Stan help us?  
2. Stop the bus!  
3. Did Jim get a bag of chips?  
4. Tom sang a song.  
5. Where are the kids?  
6. Help!  
7. A dog is a fun pet.

Small Group-Reading Time 20 minutes

“Spot’s Bath”

- Review the use of the apostrophe as an indication of ownership, e.g. possessive. Students will also encounter an apostrophe used for the contraction, there’s.
- Remember to record anecdotal notes regarding students’ reading abilities.

† Group 1: Have students take out their Readers, sit with their partners, and take turns rereading “Spot’s Bath.” Students who finish early should reread the stories “Swing That Net” and “Bug and Frog.” You may wish to assign any of the optional vocabulary worksheets for completion. Students should not read ahead.

† Group 2: Have students follow along in their Readers as students read “Spot’s Bath” aloud. Read the story a second time. If you have time, read “Swing That Net” and “Bug and Frog.”
Reviewing the Story

15 minutes

Story Questions Worksheet: “Spot’s Bath”

- Distribute and display Worksheet 19.2.
- Ask students to read the first question.
- Ask students to identify the correct answer.
- Have students shade the circle next to the correct answer, following your example.
- Ask students to read the second question.
- Ask students to provide the answer to the second question.
- Have students write the following decodable answer on the line provided, following your example: Spot’s pals were still in the mud pit.
- Continue demonstrating until students are ready to work independently.

Student Performance Task Assessment

10 Reading Assessment

Option A

You could give the Tricky Word test (Worksheet 19.3) to the whole group and give the sentence reading test to individual students who are less successful on the Tricky Word test.

- This assessment involves listening to individual students read five sentences aloud. The sentences include uppercase letters, decodable words, Tricky Words taught in this unit, and a variety of final punctuation marks.
- Have the student bring Worksheet 19.6 to you.
- The sentences for the assessment are printed in the Teacher Guide at the end of this lesson. Cover the sentences with a plain sheet of paper. Place the page in front of the student. Move the sheet down to display the sentences one at a time.
- Score one point for each word the student reads correctly; deduct one point for each word the student reads incorrectly. If the student self-corrects, do not take points off. Do not take points off for questions sounding more like statements. Do not score for speed, but make a note if some students seem to be very slow.

Option B

- Distribute Worksheets 19.3–19.5 and pencils.
- Worksheet 19.3: Tell students you are going to say a number of words.
- Explain for each word you say, there are three words printed on the worksheet; they will circle one word in each row. Tell students you will say the word you want them to circle. Read the words listed below one at a time, pausing between words so students are able to circle the target word. Read each word 2 times.
• Worksheet 19.4: Have students write the matching uppercase letter next to each lowercase letter.

• Worksheet 19.5: Tell students you are going to read the sentences printed on the worksheet aloud. Explain that each sentence is either a statement, a question, or an exclamation. Students should write a period at the end of each statement, a question mark at the end of each question, or an exclamation point at the end of each exclamation. (Be sure to read each sentence with the proper intonation.)

1. Which desk is his?  
2. A dog just bit him!  
3. Why is it so hot?  
4. The dress is red.  
5. I can not stand it!  
6. His dad has a truck.

Practice 30 minutes

Completing Questions 15 minutes

- Distribute and display Worksheet 20.1.
- Ask students to read the two question words (Tricky Words) in the first box.

- Ask students which word completes the sentence.
- Have students circle the word.
- Have students print the word *when* on the line provided, following your example.
- Continue demonstrating until students are ready to work independently.

Circle and Copy 15 minutes

The following procedures encourage you to model Worksheet 20.2 for students. Students have encountered this type of worksheet a number of times, so you may prefer to have them complete the worksheet independently. The same can be said for most of the worksheets included in the remaining Unit 9 lessons.

- Distribute and display Worksheet 20.2.
- Ask students to read the first sentence.
- Ask students which of the pictures match the first sentence.
- Have students circle the matching picture.
- Have students copy the sentence on the line provided, following your example.
- Continue demonstrating until students are ready to work independently.
"The Pots and Pans Band"

Purpose for Reading
- Tell students they will read a story about Zack and Ann’s band. Ask students to pay special attention to the story so they can tell you what instruments the kids in the band play.

Reading the Story
Both this lesson and the following lesson have time designated to read “The Pots and Pans Band” in small groups. Be sure to record anecdotal notes regarding your students’ reading progress.
- Review the use of the apostrophe used for the contraction, it’s.

Group 2: Have students take out their Readers, sit with their partners, and take turns reading “The Pots and Pans Band.” Students who finish early should reread the stories “Spot’s Bath” and “Swing That Net.” You may wish to assign any of the optional vocabulary worksheets for completion. Students should not read ahead.

Group 1: Have students follow along in their Readers as students read “The Pots and Pans Band” aloud. Read the story a second time. If you have time, read “Spot’s Bath” and “Swing That Net.” Alternatively, you may complete different remediation exercises addressing the specific needs of students.

Wrap-Up
- Discuss the following questions as a class.

Discussion Questions on “The Pots and Pans Band”
1. Literal What instruments do the kids in the pots and pans band play? (The kids use pots and pans as instruments.)
2. Inferential Describe what the music this band makes sounds like. (Accept reasonable answers.)

2. **cast**—to toss a fishing hook into a body of water using a fishing rod

**Note**: You may also want to point out that the word *cast* can have other meanings. Students may be more familiar with the word *cast* referring to a protective covering for a broken bone or referring to the performers in a dramatic production. In today’s story, it has the meaning noted above.

- You may wish to assign any of the optional vocabulary worksheets for completion.
- Review the use of the apostrophe as an indication of ownership, e.g. possessive. Students will also encounter an apostrophe used for the contractions *it’s* and *can’t*.

Practice

Mark the Sentence

Instead of modeling this worksheet, you may prefer to have students complete the worksheet independently.

- Distribute and display Worksheet 23.1.
- Ask students to read the first sentence.
- Ask students to read the second sentence.
- Ask the class which of the first two sentences matches the first picture.
- Have students shade the circle next to the matching sentence, following your example.
Have students copy the matching sentence on the line provided, following your example.
Continue demonstrating until students are ready to work independently.

**Partner Reading—Reading Time 20 minutes**

**“Ann’s Hat Box”**

**Challenging Vocabulary**

Before reading today’s story, preview the following vocabulary with students.

1. **top hat**—a tall, fancy hat

You may wish to assign any of the optional vocabulary worksheets for completion.
Review the use of the apostrophe as an indication of ownership, e.g. possessive. Students will also encounter an apostrophe used for the contraction *that’s*.

**Purpose for Reading**

Tell students they will read a story about Ann’s hats. Ask students to pay special attention to the story so they can tell you where Ann sets her hat box.

**Reading the Story**

Ask students to sit with their partners and take turns reading “Ann’s Hat Box” aloud.
Encourage students who finish early to reread previous stories. They should not read ahead.
Listen to students read and record anecdotal notes on their progress.

**Wrap-Up**

Discuss the following questions as a class.

**Discussion Questions on “Ann’s Hat Box”**

1. **Literal** Where does Ann set her hat box? (Ann sets her hat box on the bed.)
2. **Literal** What does Zack think is wrong with the top hat? (The top hat has a big dent.)
3. **Literal** Which hat does Zack like the best? (Zack likes the red hat best.)
4. **Evaluative** Why do you think Ann is trying on hats? (Accept reasonable answers.)
Reviewing the Story 15 minutes

Story Questions Worksheet: “Ann’s Hat Box”

Instead of modeling this worksheet, you may prefer to have students complete the worksheet independently.

- Distribute and display Worksheet 23.2.
- Ask students to read the first question.
- Ask students to provide the answer to the first question.
- Have students write the following decodable answer on the line provided, following your example: Ann set a box of hats on the bed.
- When you get to the fourth question, model shading the circle next to the correct answer.
- Continue demonstrating until students are ready to work independently.
- Once students have completed the questions, have them illustrate a part of the story in the box provided and write a caption on the line.

Student Performance Task Assessment

Reading Assessment

- Follow the procedures explained in Lesson 19.

Take-Home Material

- Have students give Worksheet 23.4 to a family member.
With the completion of Unit 9, if a significant number of students are having difficulty with any of the objectives, pause here and spend additional days reviewing the material taught in this unit. If you do pause, you may have students complete any combination of the exercises listed below, in any order, but we suggest you continue the Warm-Up exercises. The exercises are listed under the unit objectives they address. Note that procedures are not reprinted for exercises included in the Unit 9 lessons. Instead, we simply list the lessons where the exercises can be found. Exercises not included in the Unit 9 lessons, however, have procedures printed here.

You may find different students needing help with different objectives. It can be helpful to have students focus on specific exercises in small groups.

Blend Two-Syllable Words

Oral Blending

- See Warm-Up exercises in Lessons 1, 5, 7, 9, 11, 15, 20, 21, and 23.

Read Tricky Words

What’s My Word?

- Using the Tricky Word cards you previously prepared and used in lessons, select three to six Tricky Words.
- Display the cards. (The cards could be taped to the board or placed in a chalk tray.)

- Choose one word and give students clues. (Clues could include the number of letters in the word, what the first and/or last letter in the word is, and what part of the word is tricky.)

- Then say, “What’s my word?”

- Once students have found the right word, they may remove it from the board.

- The student should use the word in a sentence.

- Depending on the needs of students, you may consider letting this student have the next turn to tell the clues to a word. Or you may continue to give the clues.

**Colored Flash Cards**

- Print decodable words on green flash cards and Tricky Words on yellow flash cards.

- Explain to students the words printed on green paper are regular and can be read via blending. Green means go!

- Explain to students the words printed on yellow paper are tricky. Yellow means proceed with caution.

- Shuffle the cards and have students read them one at a time.

- Have students turn over two cards at a time, attempting to find matching cards.
- If a student finds a match, he reads the word pair out loud and keeps the pair of cards.
- Continue until all matches have been found.

Tricky Word Beanbag Toss

- Write the Tricky Words taught in this unit on paper or cardstock. Place them face up on the floor.
- Hand a beanbag to the first student and explain he or she should toss the beanbag towards the cards.
- Have the student read the Tricky Word card the beanbag hits or lands closest to.
- Continue until all students have had a turn.

Read Decodable Stories

Practicing Reading: “Dan the Cab Man,” “Help from Pals,” and “Ann’s Cut”

- Ask students to sit with their partners, take out their Readers, and take turns reading the following stories aloud to one another: “Dan the Cab Man,” “Help from Pals,” and “Ann’s Cut.”

3. **Inferential**  What is bigger: a gash or a cut? (Accept reasonable answers.)

Take-Home Stories: “Dan the Cab Man,” “Help from Pals,” and “Ann’s Cut”

- Have students take the worksheets home and give them to a family member so they can practice reading the stories while at home.

**Answer Written Story Questions**

Story Questions Worksheets: “Dan the Cab Man,” “Help from Pals,” and “Ann’s Cut”

- Have students complete Worksheets PP1, PP2, and PP3.
**Recognize and Write Uppercase Letters**

**Sound Dictation with Uppercase Letters**
- Write the uppercase letters of the alphabet on large cards, one letter per card.
- Distribute paper, pencils, and cards to students.
- Say a sound and tell students whoever is holding the card for sound should stand up.
- Remind students how to print the uppercase letter, and encourage them to trace the uppercase letter in the air. Have students print the letter on paper.
- Repeat for the remaining sounds.

**Rough Around the Edges**
- Cut the uppercase letters of the alphabet out of sandpaper.
- Have students trace the sandpaper letters with their fingers.

**Tray Tracing**
- Give each student a shallow tray with sand or rice in it.
- Have students write the uppercase and lowercase letters in the trays.

**Erase the Letter**
- On the board, write five to eight uppercase letters and put three to five dots under each letter.
- Review the sound each letter represents with students.
- Say a sound and have a student erase a dot under the letter for sound.
- When all dots under a letter have been erased, ask a student to erase the letter.
- Start over when all letters have been erased.

**Name Game**
- On the board, write the alphabet in uppercase letters in one continuous horizontal line.
- Give each student two name cards.
- Write or have students write their first names on each card. Make sure the first letter of each name is written with an uppercase letter.
- Have each student place his or her first name card underneath the first letter of his or her name.
- Have students take turns saying, “My name is _____ and my name starts with the letter _____.”
• Have each student place his or her second name card underneath the last letter of his or her name.

• Have students take turns saying, “My name is _____ and my name ends with the letter _____.”

**Letter Concentration**

• Write the uppercase and lowercase letters of the alphabet on small cards, one letter per card.

• Make sure you have two cards for each letter, one card with the lowercase letter and one card with the uppercase letter.

• Shuffle the cards and lay them face down on the table.

• Have students turn over two cards at a time, attempting to find matching cards. One lowercase card and one uppercase card make a pair.

• If a student finds a match, he or she keeps the cards until the game is over.

• Continue until all matches have been found.

**Word Scramble**

• Spell a familiar decodable word with uppercase letters in the top row of a pocket chart.

• Ask students to spell the word with lowercase letters in the row below.

• Then mix up the uppercase or lowercase word and have students unscramble the letters to form the word once again.

• Variation: Spell a word with lowercase letters and ask students to spell it with uppercase letters.

**Finding Letters**

• Have students take out their favorite book and have them find specific uppercase letters.

• Ask students to look for the letters in their names or the first letter of the day of the week or current month.

**Rainbow Letters**

• Distribute Worksheet PP7 and crayons or colored pencils, and display the worksheet.

• Show students how to trace the letter ‘A’, pointing out you are starting at the dot and staying between the lines. Trace the ‘A’ several more times, using a different color each time.

• Have students follow along on their worksheets.

• Continue demonstrating until students are ready to work independently.
Worksheet with Missing Uppercase Letters

- Have students complete Worksheet PP8 by filling in the missing uppercase letters in alphabetical order.

Worksheet with Uppercase Letters

- Have students complete the front of Worksheet PP9 by writing each uppercase letter next to the matching lowercase letter. Have students complete the back of the worksheet by drawing a line from each lowercase letter to the matching uppercase letter.

Alphabet Classbook

- Have students label the pages in an empty notebook with the letters of the alphabet, one letter per page. Have them write both the uppercase and matching lowercase letter together on the page. The upper right-hand or left-hand corner would be the best place.
- Ask students to think of objects or items beginning with each of the letters.
- Have students draw pictures of these objects on the corresponding pages in the notebook.

Write Tricky Words

Tricky Word Practice

- See Lessons 2, 13, and 17.
- Use the Tricky Words taught in this unit: when, word, why, to, where, no, I, what, so, which, once, said, says, are, were, here, there.
Handwriting Worksheets with Tricky Words

- Distribute Worksheets PP10, PP11, and PP12.
- Have the students trace and copy the Tricky Words.
- Extension: Have students underline the tricky part of each Tricky Word.
- Note: On the back of each worksheet are the same words as on the front. The back, however, is more difficult because only starting dots are provided.

Write Sentences

Sentence Strips

- Choose sentences from the Zack and Ann Reader that can be illustrated and copy them onto sentence strips.
- Place the sentence strips in your pocket chart.
- Have students choose a sentence to copy and illustrate.

Making Questions, Exclamations, and Statements

- Write decodable nouns, adjectives, and verbs on cards. Write the Tricky Words when, where, why, what, which, the, a, of, all, one, and was on cards, one word per card. Also, make cards with question marks, exclamation points, and periods.
- Have students create questions, exclamations, and statements with these cards.
- Have students copy the sentences on paper.

Dictation with Sentences

- Ask students to take out a pencil and a piece of paper.
- Explain that you are going to say a number of sentences. The sentences will be statements, questions, and exclamations. Be sure to use the proper intonation when reading the sentences. (Select sentences from the following list.)
- For each sentence you say, hold up one finger for each word.
- Ask students to count the words and then draw a line on their paper for each word they hear with a finger space between the lines.
- Once students have drawn the lines, ask them to write each word, sound by sound. Finally, ask students to read the sentence back to you.
- Remind students to refer to the Sound Posters to remember how to write the spellings.
Understand the Usage of Question Words

Completing Questions

- Have students complete Worksheet PP13 by writing the proper question word at the beginning of each sentence.

What’s the Question?

**Note:** This is an oral language exercise designed to give students the opportunity to formulate questions with the question words taught in Unit 9. It is open ended and there are many possible questions for each answer.

- Remind students of the question words taught in Unit 9 (what, where, when, which, and why), and write the question words on the board.
- Write the answers on the board in a different color. You may use the following list of words or make up your own.
- Call on a student to read one of the words and formulate a question using one of the five question words.
- For example, if a student reads the word green, he or she might say “What do blue and yellow make?” or “What color is grass?”
- Continue until questions have been formulated for all of the words on the board.

1. spring (possible question: What season comes after winter?)
2. six (possible question: Which number is bigger, six or three?)
3. hands (possible question: What is at the end of our arms?)
4. in a bed (possible question: Where do we sleep?)
5. to get well (possible question: Why do we take medicine when we are sick?)
6. a cat (possible question: Which pet do you prefer, a cat or a dog?)
7. from there (possible question: Where did Jim come from?)
8. set up camp (possible question: What can you do with a tent?)
9. chick (possible question: What is a baby chicken called?)
10. milk (possible question: Which drink is white and comes from cows?)

Assessments

There are many opportunities for informal assessment throughout each Skills unit. You may choose to assign a given workbook page for individual, independent completion to use as an assessment. It may be useful to use the Tens Conversion Chart and the Tens Recording Chart to collect and analyze all assessment data.

Simply find the number of correct answers along the top of the chart and the total number of questions on the worksheet or activity along the left side. Then find the cell where the column and the row converge. This indicates the Tens score. By using the Tens Conversion Chart, you can easily convert any raw score, from 0 to 20, into a Tens score. You may choose to use the Tens Recording Chart following to provide an at-a-glance overview of student performance.
Tens Recording Chart

Use the following grid to record students’ Tens scores. Refer to the previous page for the Tens Conversion Chart.
