Animal Hospital
Roles: veterinarian, veterinarian technician, groomer, receptionist, pet/animal owner.

Suggested phrases to use:
- Let's take an X-ray of the bird's wing so we can see if it is hurt.
- This cat needs a bandage because her leg is broken.
- There are six animals at the animal hospital today.
- I am examining the horse's ear.
- What happened to this animal?

Student conversations:
- Help students give each other single-step and multi-step directions describing how to conduct exams and treat animals.
- Facilitate extended conversations about exams and helping animals.

Facilitating emergent writing:
- Write appointments in appointment book.
- Label animal carriers.
- Write plans for treatment and medication.
- Write or draw X-rays to show where animals are hurt.
