Core Knowledge Sequence History and Geography 5
The Big Idea

The 1500s and 1600s were a time of English expansion abroad and consolidation of Parliamentary power at home.

This period of English history was full of conflicts. Conflicts about religion highlighted an even more basic conflict between Parliament and the king. These tensions resulted in a civil war, which then led to the execution of the king.

When the Catholic James II came to the throne, he was deposed and driven out of the country. Parliament chose new, solidly Protestant rulers and required their allegiance to a new Bill of Rights and the laws of Parliament before it would allow them to be crowned. After the Glorious Revolution, kings had less power, and Parliament had more. Great Britain was well on its way to becoming a constitutional monarchy.

**What Students Need to Learn**

- Henry VIII and the Church of England
- Elizabeth I
- British naval dominance
  - Defeat of the Spanish Armada
  - Sir Francis Drake
  - British exploration and North American settlements
- The English Revolution
  - King Charles I, Puritans, and Parliament
  - Civil War: Cavaliers and Roundheads
  - Execution of Charles I
  - Oliver Cromwell and the Puritan regime
  - The Restoration (1660): Charles II restored to the English throne, many Puritans leave England for North America
- The “Glorious Revolution” (also called the Bloodless Revolution)
  - King James II replaced by William and Mary
  - Bill of Rights: Parliament limits the power of the monarch
The most important ideas in Unit 6 are:

- Henry VIII established the independence of the Church of England when he could not get his way with the Roman Catholic Church.
- Much of English history and politics during this period turns on questions regarding religion. The key debates were whether England should be Catholic or Protestant and whether the Church of England had been sufficiently reformed and purified of Catholic ideas and practices.
- The reign of Elizabeth I was a time of expansion abroad and peace and prosperity at home.
- Charles I's need for money brought him into conflict with Parliament; this conflict deteriorated into a civil war.
- The English Civil War pitted supporters of Charles I, known as Cavaliers, against supporters of greater Parliamentary control, known as Roundheads.
- Whatever advantages Charles I had at the beginning of the Civil War, he could not overcome Oliver Cromwell's leadership of the rebel army.
- During the late 1640s and 1650s, England was ruled as a republic, or commonwealth, with no king.
- Cromwell's Commonwealth could not survive after his death. In 1660, Charles II was invited to take the throne in this period known as the Restoration.
- The Glorious Revolution removed James II from the English throne in favor of Mary and William of Orange from the Netherlands, who agreed to rule under the English Bill of Rights.

Background

The two centuries from 1500 to 1700 were a particularly eventful time in the history of England. The nation struggled over religion, vacillated between Catholicism and Protestantism, defeated an invasion by Spain, became a sea power, embarked on worldwide colonization, fought a civil war, executed a king, transformed itself into a republic, restored the monarchy, drove a king from the throne because of his Catholicism, and finally emerged as a parliamentary government with strong checks on the power of the monarch. An understanding of this period of English history is particularly important for Americans because American politics of the Revolutionary era were based on issues and disagreements in the mother country.
The House of Tudor

Members of the House of Tudor were a family of Welsh descent that ruled England from 1485 until 1603. The first Tudor was Henry VII, who ruled from 1485 to 1509. He was the father of Henry VIII and the grandfather of Queen Elizabeth I. Henry VII took control of the monarchy after defeating Richard III in the War of the Roses (so-named because a red rose and a white rose were the symbols of the houses of Lancaster and York, respectively). The reign of the Tudors ended when Elizabeth, who did not have any children, died in 1603.

Henry VIII and the Church of England

By the time of the Renaissance, the Roman Catholic Church was the dominant religion in Europe. The head of the Church was the pope in Rome, who for a time wielded great power in Europe and could even control heads of state. As monarchs in the 1400s and 1500s shaped nation-states from their assorted feudal domains, they saw papal power as a threat to their new sovereignty.

Henry VIII of England did not begin his monarchy expecting to overthrow the Roman Catholic Church in England. In 1521, Henry published a work attacking the errors of Martin Luther’s teachings. For this, Henry was given the title “Defender of the Faith” by a grateful pope. However, Henry’s personal concerns eventually led him to abandon his staunch support of the Church.

In 1509, he married Catherine of Aragon, the daughter of Ferdinand and Isabella of Spain and the widow of his older brother Arthur. All their sons died in infancy. Only a daughter, Mary, born in 1516, survived. This worried Henry VIII. He was eager to have a male heir. Although a daughter could accede to the throne, Henry’s concern was that a daughter would probably get married, at which point her property would transfer to her husband’s control. If that happened, England might become part of the husband’s kingdom. By the late 1520s, Henry had convinced himself that they had failed to have a son because Catherine had first been married to Henry’s older brother. Henry asked the pope for an annulment because of Catherine’s first marriage. By this time, Henry wanted to marry Anne Boleyn, a courtier.

The pope refused to annul the marriage for political as much as ecclesiastical reasons. The pope did not want to antagonize Catherine’s nephew, the Holy Roman Emperor. Not to be denied, in 1529 Henry began taking steps to have Parliament declare the church in England separate from the church directed from Rome by the pope. Henry proceeded to marry Anne Boleyn and had his marriage to Catherine annulled in 1533. Their daughter, Elizabeth, was born the same year. The following year, Henry had Parliament pass the Act of Supremacy, which made the monarch the head of the Church of England (later known as the Anglican Church).

To build support among powerful Catholics, Henry had Parliament confiscate Church lands (e.g., monasteries and nunneries) and sold the lands, most of
which were bought by members of the gentry class who wanted to own property.

In Europe at this time, people within a country were expected to practice the religion that their government approved. To do otherwise was to risk fines, imprisonment, and even death. All English subjects were expected to remain loyal to the Church of England, with Henry at its head, because the Church was the “official” or established church of the country. Henry VIII demanded that all Englishmen take an oath of allegiance to him as the head of the new church. Some people, including Sir Thomas More, the Lord Chancellor of England, remained loyal to the pope and refused to swear the oath. More was one of several executed for refusing the oath.

By 1539, Henry had launched a series of persecutions of English Catholics on the one hand and of extreme Protestants on the other. The former objected to the Church because of the break with Rome. The latter objected because they felt that Henry had not gone far enough in his break with Rome. Although Henry VIII had rejected papal authority, the Church at this point was still very similar to the Catholic Church in its doctrines, ceremonies, and hierarchy. Protestants, influenced by the ideas of John Calvin, thought Henry’s reformation had not gone nearly far enough.

In addition to initiating the English Reformation, Henry VIII is famous for his series of six wives. After Catherine of Aragon (1509–1533) and Anne Boleyn (1533–1536), came Jane Seymour (1536–1537), Anne of Cleves (1540), Catherine Howard (1540–1542), and Catherine Parr (1543–1547). A well-known rhyme describes the fate of each wife:

Divorced, beheaded, died
Divorced, beheaded, survived.

Protestant or Catholic?

When Henry VIII died, it was unclear whether England would ultimately become a solidly Protestant country or revert to Catholicism. Henry’s son with Jane Seymour, Edward VI, became king in 1547 when he was only nine years old. Although Henry had older children, Edward was next in line for the succession because he was a male. Edward’s chief advisers were Protestant, and during Edward’s reign, England became more solidly Protestant, introducing changes in doctrine, liturgy, and ceremonies. During Edward’s brief rule, the Book of Common Prayer (a book of prayers) and Forty-Two Articles of Religion (the official statement of the articles of belief of the Church of England) were published. However, Edward VI lived for only a few years. He died of tuberculosis in 1553. In 1553 Mary I ascended to the throne. She was the daughter of Henry VIII and his first wife, Catherine of Aragon. Mary had been raised a Catholic, and she attempted to return England to Catholicism. She dissolved the Church of England, married a Spanish (Catholic) prince, and had many Protestants executed or severely punished, earning herself the name
“Bloody Mary.” Several hundred Protestants were burned at the stake during the last years of her reign, which ended in 1558.

UNIT RESOURCES

Student Component

England and the Golden Age Student Reader—six chapters

Teacher Components

England in the Golden Age Teacher Guide—six chapters. The guide includes lessons aligned to each chapter of the England in the Golden Age Student Reader, with a daily Check for Understanding and Additional Activities, such as literature connections and vocabulary practice, designed to reinforce the chapter content. A Unit Assessment, Performance Task Assessment, and Activity Pages are included at the end of this Teacher Guide in Teacher Resources, beginning on page 58.

- The Unit Assessment tests knowledge of the entire unit, using standard testing formats.
- The Performance Task Assessment requires students to apply and share the knowledge learned during the unit through either an oral or written presentation. In this unit, the presentation is written.
- The Activity Pages are designed to reinforce and extend content taught in specific chapters throughout the unit. These optional activities are intended to provide choices for teachers.

England in the Golden Age Timeline Image Cards—seventeen individual images depicting significant events and individuals related to England in the Golden Age. In addition to an image, each card contains a caption, a chapter number, and the Big Question, which outlines the focus of the chapter. You will construct a classroom Timeline with students over the course of the entire unit. The Teacher Guide will prompt you, lesson by lesson, as to which image card(s) to add to the Timeline. The Timeline will be a powerful learning tool enabling you and your students to track important themes and events as they occurred within this expansive time period.
Some preparation will be necessary prior to starting the England in the Golden Age unit. You will need to identify available wall space in your classroom of approximately fifteen feet on which you can post the Timeline image cards over the course of the unit. The Timeline may be oriented either vertically or horizontally, even wrapping around corners and multiple walls, whatever works best in your classroom setting. Be creative—some teachers hang a clothesline so that the image cards can be attached with clothespins!

Create two time indicators or reference points for the Timeline. Write each of the following dates on sentence strips or large index cards:

- **1500s**
- **1600s**

Affix these time indicators to your wall space, allowing sufficient space between them to accommodate the actual number of image cards that you will be adding to each time period as per the following diagram:

<table>
<thead>
<tr>

You will want to post all the time indicators on the wall at the outset before you place any image cards on the Timeline.
INTRODUCTION
Time to Talk About Time

Before you use the Timeline, discuss with students the concept of time and how it is recorded. Here are several discussion points that you might use to promote discussion. This discussion will allow students to explore the concept of time.

1. What is time?
2. How do we measure time?
3. How do we record time?
4. How does nature show the passing of time? (Encourage students to think about days, months, and seasons.)
5. What is a specific date?
6. What is a time period?
7. What is the difference between a specific date and a time period?
8. What does CE mean?
9. What is a timeline?

Using the Teacher Guide

Pacing Guide

The *England in the Golden Age* unit is one of thirteen history and geography units in the Grade 5 Core Knowledge Curriculum Series™. A total of nine days have been allocated to the *England in the Golden Age* unit. We recommend that you do not exceed this number of instructional days to ensure that you have sufficient instructional time to complete all Grade 5 units.

At the end of this Introduction, you will find a Sample Pacing Guide that provides guidance as to how you might select and use the various resources in this unit during the allotted time. However, there are many options and ways that you may choose to individualize this unit for your students, based on their interests and needs. So, we have also provided you with a blank Pacing Guide that you may use to reflect the activity choices and pacing for your class. If you plan to create a customized pacing guide for your class, we strongly recommend that you preview this entire unit and create your pacing guide before teaching the first chapter.

Reading Aloud

In each chapter, the teacher or a student volunteer will read various sections of the text aloud. When you or a student reads aloud, always prompt students to follow along. By following along in this way, students become more focused on the text and may acquire a greater understanding of the content.
Turn and Talk

In the Guided Reading Supports section of each chapter, provide students with opportunities to discuss the questions in pairs or groups. Discussion opportunities will allow students to more fully engage with the content and will bring “to life” the themes or topics being discussed.

Big Questions

At the beginning of each Teacher Guide chapter, you will find a Big Question, also found at the beginning of each Student Reader chapter. The Big Questions are provided to help establish the bigger concepts and to provide a general overview of the chapter. The Big Questions, by chapter, are:

<table>
<thead>
<tr>
<th>Chapter</th>
<th>Big Question</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>How did Queen Elizabeth I manage the conflicts between the Catholics and the Protestants?</td>
</tr>
<tr>

</tr>
<tr>
<td>3</td>
<td>Why did Parliament distrust Charles I and his wife Henrietta?</td>

The Core Lesson 35 min

Introduce England in the Golden Age Student Reader 5 min

Display and read the captions of the first two Timeline Cards, depicting Martin Luther and Henry VIII. Place both cards on the timeline in the early 1500s. Use the cards to prompt student recollections of the Reformation unit that students using the Core Knowledge History and Geography series recently completed. Explain that the effects of changes in religious thinking during the Reformation were also felt in England, the subject of this unit.

Distribute copies of the England in the Golden Age Student Reader, and suggest students take a few minutes to look at the cover and flip through the Table of Contents and illustrations in the book. Ask students to brainstorm individual words or simple phrases describing what they notice in the Table of Contents.
Introduce “Elizabeth I”  

Display the World Map (AP 1.2) and have students find England. Point out to students that England is an island and that being separate from Europe has played a role in shaping its history.

Quickly review what students learned about Henry VIII in the Reformation unit. Henry VIII broke with the Catholic Church for personal reasons because the pope would not annul Henry's marriage to Catherine of Aragon. To get the divorce he wanted, Henry appointed his own Church officials and then married Anne Boleyn, who gave birth to Elizabeth. After being excommunicated by the Catholic Church, Henry established the Church of England with himself as its head. Tell students that the setting in the chapter they are about to read takes place in England about ten years after Henry VIII’s death.

Display the Tudor and Stuart Family Tree (AP 1.1). Explain that this type of graphic, called a “family tree,” is a way to show the relationships among various members of one or more families. Use the tree as a visual reference to describe the succession of individuals who ruled England following Henry VIII’s death.

Note: The succession to the British throne following Henry VIII’s death is complicated. Students are not expected to memorize a list of the kings and queens who followed Henry VIII. The Tudor and Stuart Family Tree (AP 1.1) and the information included in this chapter are provided to give students a general sense of the succession as starting first with Henry VIII’s male heir, Edward VI, and then progressing to Henry’s remaining children on the basis of their ages.

Locate Henry VIII on the tree. After having two daughters (Mary and Elizabeth) by two different wives, Henry finally had a son in his marriage to Jane Seymour. His son, Edward VI, who was a Protestant, became king after Henry’s death and ruled for six years. Be sure students understand that even though Edward was one of Henry’s younger children, he inherited the right to rule before his older sisters because he was a male.

After Edward VI died, Henry’s oldest daughter, Mary, a Catholic, ruled for five years. Tell students that in this chapter they will read about an important change regarding who would rule England when Mary died.

Call attention to the Big Question, and encourage students to look for ways that Elizabeth I managed the conflicts between Catholics and Protestants in England.

Guided Reading Supports for “Elizabeth I”  

When you or a student reads aloud, always prompt students to follow along. By following along, students may acquire a greater understanding of the content. Remember to provide discussion opportunities.
**“Long Live the Queen,” Pages 2–4**

Scaffold understanding as follows:

Invite a volunteer to read the three paragraphs of “Long Live the Queen.”

**SUPPORT**—Display the Tudor and Stuart Family Tree (AP 1.1). Have students find Mary and Elizabeth. Explain to students why Elizabeth inherited the English throne after Mary. *(Because there were no other male heirs, the crown passed to each of Henry’s other children on the basis of their ages.)*

After the volunteer reads the text, ask the following question:

**EVALUATIVE**—What are at least two things suggested about Elizabeth’s personality and character that you can infer from this section?

* Possible responses: Elizabeth was educated; Elizabeth was religious; Elizabeth was glad to become queen.

**“A Dress of Gold and a Velvet Cape,” Pages 4–6**

Scaffold understanding as follows:

Invite a volunteer to read the first two paragraphs of “A Dress of Gold and a Velvet Cape” on page 4.

**CORE VOCABULARY**—Point out the vocabulary term *coronation* and its definition at the bottom of the page. Tell students that Elizabeth I used her *coronation*, or the ceremony at which she was crowned queen, to show her power and position as the new queen.

Have students read the rest of the section on pages 4–6 quietly to themselves or with a partner, being sure to look carefully at the illustration on page 5.
After students read the text, ask the following questions:

**LITERAL**—For her coronation, what did Elizabeth do to show her power as a monarch?

» She marched to London with more than one thousand people she had chosen as advisers and servants. She also made sure her coronation would be unforgettable by wearing extravagant clothing and a gold crown that looked like what only a queen or king would wear.

**LITERAL**—What did Elizabeth do during the coronation ceremony to send a signal of peace and acceptance to both Catholics and Protestants?

» She included both Catholic and Protestant elements in the ceremony. The bishop who performed the ceremony was Catholic, but he read from the Protestant version of the Bible.

**“A Dangerous Situation” and “Queen of her People, Bride of Her Nation,” Pages 6–9**

Scaffold understanding as follows:

**CORE VOCABULARY**—Read aloud the first paragraph of the section “A Dangerous Situation” on page 6, stopping to explain the vocabulary word *annul*.

**CORE VOCABULARY**—Pause to explain the vocabulary terms *persecute*, *ritual*, and *custody* as they are encountered in the text.

**SUPPORT**—After reading the section “A Dangerous Situation,” display the Tudor and Stuart Family Tree (AP 1.1), and have students find the two Marys mentioned in this section: Mary Tudor and Mary Stuart (Mary Queen of Scots). Ask students how each Mary was related to Elizabeth and what they had in common. Why might Elizabeth have felt threatened by them?

» Mary Tudor was Elizabeth’s half sister; Mary Stuart was Elizabeth’s cousin. Both Marys were Catholic, and Elizabeth was Protestant. Mary Tudor had imprisoned Elizabeth for several months while Mary was queen. After Elizabeth became queen, Mary Queen of Scots made it clear she thought she should become queen instead of Elizabeth.

**CORE VOCABULARY**—Read aloud the section “Queen of Her People, Bride of Her Nation” on page 9, stopping to explain the Core Vocabulary term *English Parliament*. 

---

**DOCUMENT**

The coronation was a religious ceremony. Elizabeth’s coronation was unlike any other in English history because of the important religious changes that took place under her reign. The English government became Protestant, replacing the Catholic Church in England. Elizabeth was the first monarch to receive a Protestant coronation ceremony.

**Activity Page**

AP 1.1

The coronation was a religious ceremony. Elizabeth I wanted to show her power as a monarch by wearing extravagant clothing and a gold crown that looked like what only a queen or king would wear. She also included both Catholic and Protestant elements in the ceremony. The bishop who performed the ceremony was Catholic, but he read from the Protestant version of the Bible.

**A Dangerous Situation**

From the time that Elizabeth was a little girl, her life had been in danger. England was a nation divided by religion. Elizabeth’s father, King Henry VIII, had broken from the Catholic Church in 1529 because the pope would not annul his marriage to his first wife, Catherine. Henry and Catherine had only one surviving child, Mary, and Henry wanted a son. Henry married Anne Boleyn, who later became Elizabeth’s mother. Despite the pope’s refusal to annul the marriage, Henry married Anne anyway and established the Church of England to be independent of the Catholic Church in Rome. Henry crowned Elizabeth, his second wife, queen of England. When Elizabeth was only one year old, her father’s brother, Edward, became king. Henry promptlyExecute upon the death of Edward VI in 1553, Elizabeth I succeeded her father as queen.

Mary Tudor was Elizabeth’s half sister. Mary Stuart was Elizabeth’s cousin. Both Marys were Catholic, and Elizabeth was Protestant. Mary Tudor had imprisoned Elizabeth for several months while Mary was queen. After Elizabeth became queen, Mary Queen of Scots made it clear she thought she should become queen instead of Elizabeth.

**English Parliament**

The English Parliament was the first national assembly held in England and was convened for the first time after Parliament was restored by King Charles II in 1660. It was a bicameral legislature, consisting of the House of Commons and the House of Lords, and was the first modern parliamentary system in Europe. The English Parliament played a crucial role in shaping the development of parliamentary government in England and influenced the political systems of many other countries.
After you read the text, ask the following questions:

**LITERAL**—After she became queen, why did Elizabeth have her cousin, Mary Queen of Scots, brought to trial, and what was the outcome?

» Mary Queen of Scots was caught in a plot to have Elizabeth killed and was brought to trial and found guilty.

**INFERENTIAL**—Why did Elizabeth have to be careful, even as queen?

» Elizabeth had to be careful because there were people such as Mary Stuart who believed Elizabeth should never have been made queen.

**LITERAL**—What did Elizabeth's advisers encourage her to do? How did Elizabeth respond?

» They wanted her to marry and produce an heir to the throne. Elizabeth refused, saying that marriage would distract her from being a queen.

### Scaffold understanding as follows:

Have students read the section to themselves or with a partner.

**CORE VOCABULARY**—Point out the vocabulary boxes for aristocrat and pageant on pages 11 and 12. Encourage students to refer to the boxes as they read.

**After the students read the text, ask the following questions:**

**LITERAL**—What are two reasons Elizabeth traveled through the English countryside?

» She traveled to escape the heat, dirt, and smell of London, and to connect with her subjects, both noble and common.

**LITERAL**—What did the people do to honor Elizabeth during her visits?

» They held presentations and put on plays and pageants.

**EVALUATIVE**—Do you think it was wise for Elizabeth I to journey frequently throughout the countryside?

» Possible response: It was wise as she was able to meet the common people, see how they lived, and listen to their concerns.
**Scaffold understanding as follows:**

**Read aloud the section “Glorious Reign” on pages 12–13.**

**After you read the text, ask the following questions:**

**LITERAL**—How did Elizabeth combine practices of the Catholic and Protestant churches?

» In the Protestant Church of England, she had the priests wear robes as Catholic priests did, but they could marry. The Protestant services were in English, not Latin.

**INFERENTIAL**—Mary I, who was queen before Elizabeth, was described as “Bloody Mary” because she persecuted Protestants who did not follow the Catholic Church. How would you describe Elizabeth I as a ruler?

» Students might describe Elizabeth as fair, practical, or tolerant. They should be able to identify examples in the text to support their answers.

**LITERAL**—Why might Elizabeth’s rule of England and this time period in history be called the “Elizabethan Age”?

» Elizabeth unified and strengthened her kingdom. Her reign was a time of great literature and exploration, including the works of William Shakespeare and the exploits of Sir Francis Drake.

**Timeline**

- Show students the two remaining Chapter 1 Timeline Image Cards. Read and discuss the captions.
- Review and discuss the Big Question: “How did Queen Elizabeth I manage the conflicts between the Catholics and the Protestants?”
- Post the images to the Timeline under the date referencing the 1500s; refer to the illustration in the Unit 6 Introduction for guidance on the placement of each image card to the Timeline.

**Check for Understanding 10 MIN**

Ask students to:

- Write a short answer to the Big Question: “How did Queen Elizabeth I manage the conflicts between the Catholics and the Protestants?”

  » Key points students should cite include: she included aspects of both the Catholic and Protestant religions in her coronation; she did
not persecute her subjects for their religious beliefs; she combined and introduced aspects of both the Catholic Church ceremony and the Protestant Church of England ceremony into the new Church of England she established in her reign.

- Choose one of the Core Vocabulary words (coronation, annul, persecute, ritual, custody, English Parliament, aristocrat, or pageant), and write a sentence using the word.

To wrap up the lesson, ask several students to share their responses.

Background for the Teacher: For background information, download the CKHG Online Resource, “About Shakespeare.”

Call on student volunteers to read the “Biography of William Shakespeare” (NFE 1) aloud. After students finish reading the excerpt, post the following questions, and have students write their responses:

1. What is one way that people refer to Shakespeare without using his name? Why do you think he received this nickname?
   » People call him the Bard of Avon or the Bard. He probably received this nickname because of his popularity and the quality of his writing.

2. Why do some people believe William Shakespeare did not write his plays?
   » He did not attend a university. Some argue that he was not educated well enough to write such amazing plays.

3. Why did William Shakespeare move to London?
   » He wanted to become an actor.

4. What caused many theaters to close? What did William Shakespeare do at this time?
   » The bubonic plague forced many theaters to close. Shakespeare wrote sonnets during this time.
5. How would you describe the audience at the Globe Theater?

» The audience at the Globe Theater was very diverse. Wealthy people paid for seats in upper balconies that were shielded from the weather. People of lesser means sat on the ground. The crowd often grew rowdy and threw things at the performers.

6. What impact has William Shakespeare had on daily life and popular culture?

» Shakespeare is credited with having invented more than one thousand words. His works are still enjoyed today in their original form and as adaptations.

Exploring A Midsummer Night’s Dream (RL.5.1, RL.5.10)  

Materials Needed: Sufficient copies of From A Midsummer Night’s Dream (FE 1), highlighters, signs with the characters’ names that students can wear. Use this link to download the CKHG Online Resources for this unit, where the specific link to the fiction excerpt may be found:

www.coreknowledge.org/ckhg-online-resources

Background for the Teacher: For background information, download the CKHG Online Resource “About Shakespeare.”

Note: Students will benefit from multiple readings of this excerpt from A Midsummer Night’s Dream, first listening to the excerpt read aloud by the teacher and then reading it aloud themselves, with different students assigned the roles of different characters.

Distribute copies of From A Midsummer Night’s Dream (FE 1). Read aloud the excerpt, as students follow along.

- As you read, it may be helpful to write each character’s name on the board or chart paper as he or she is encountered, being sure to explain the relationships among the various characters.
- As you read aloud actual dialogue, read with the drama, rhythm, and intonation called for by the text to enhance students’ understanding of the text and the many comic misunderstandings.
- Call attention to the actual dialogue of specific characters, noting the quotation marks, and pause to help students translate Shakespeare’s archaic language into modern language.
- Pause to explain challenging vocabulary as it is encountered.
- Call attention to the fact that this excerpt is actually “a play within a play.”

After you have finished reading, ask the following questions and have students respond orally:
1. **What is the setting of the story?**
   
   » The story takes place in Athens, Greece.

2. **Why are Hermia and Helena upset?**
   
   » Hermia is in love with Lysander but is supposed to marry Demetrius. Helena is in love with Demetrius, but Demetrius is in love with Hermia.

3. **Who else is in the woods, and what are they doing?**
   
   » A group of tradesmen are in the woods practicing for a performance for the duke. Titania, Oberon, and Puck (fairies) are also in the woods. Titania and Oberon are fighting, while Puck helps Oberon play a trick on Titania.

4. **What trouble does Puck cause?**
   
   » Puck mistakenly gives a love potion to Lysander, causing him to fall in love with Helena. He also gives Bottom, one of the actors, the head of a donkey. When Puck gives Titania a love potion, she falls in love with the donkey-headed man.

5. **How is the conflict in the story resolved?**
   
   » Puck and Oberon undo the effects of the love potion on Lysander so he returns to loving Hermia. They give Demetrius a love potion so he loves Helena. Then Hermia and Lysander and Helena and Demetrius are very content, and the duke allows them to marry on the same day as his own wedding.

Assign character roles and sections of the excerpt to students. The following characters have speaking parts:

- Egeus
- Duke Theseus
- Hermia
- Lysander
- Helena
- Demetrius
- Francis Flute/Thisbe
- Oberon
- Titiana
- Puck
- Nick Bottom/Pyramus
- Snug
- Director (of the play within the play)
You may also assign one or more students the role of Narrator, to read the portions of the excerpt that are not dialogue, or you may prefer to take on this role.

The following characters have non-speaking parts but may be assigned to students to act out:

- Snout
- Athenians

Allow students time to practice their parts in small groups.

**Note:** It may be helpful to prepare signs with each character’s name that students can wear as they practice and act out their part. You might also suggest that students use a highlighter to mark any dialogue that they will read.

Allow time for students to read and act out the excerpt in front of their classmates. As time permits, allow different students to take on and act out different roles, so that all students have a chance to participate.

THE CORE LESSON 35 MIN

Introduce “Britannia Rules the Waves” 5 MIN

Explain to students that it was Henry VIII who started building England’s navy, but it was Elizabeth I who used it. An important contributor to the increasing strength and presence of England’s navy on the world’s oceans was Francis Drake. Remind students that they already met Sir Francis Drake when they studied the Age of Exploration. Display Timeline Card 5 and post it on the Timeline, in the 1500s section. Use the image on the card to prompt student recollections of Drake.

Tell students that Drake played an important role in England’s dealings with Spain, a country with which England was increasingly in conflict. Display AP 1.2 and point out the locations of England and Spain. Ask students to describe the relative location of each nation. Call students’ attention to the Big Question, and have them keep the question in mind as they read about the conflicts between Spain and England.
When you or a student reads aloud, always prompt students to follow along. By following along, students may acquire a greater understanding of the content. Remember to provide discussion opportunities.

### “Sir Francis Drake,” Pages 14–16

#### Scaffold understanding as follows:

First read aloud the chapter title, “Britannia Rules the Waves,” explaining that *Britannia* is another name for the country of England. Ask students to discuss what the chapter title might mean. Then, read aloud “Sir Francis Drake” on pages 14–16.

**CORE VOCABULARY**—Review with students the meaning of the words *galleon* and *nobleman* as they are encountered.

**After you read the text, ask the following questions:**

**LITERAL**—What did Francis Drake and other English sailors do to Spanish ships traveling back from the Spanish colonies to Spain?

» They attacked and robbed the Spanish ships of their riches.

**LITERAL**—What did the English and Queen Elizabeth think of Francis Drake?

» Queen Elizabeth and the English thought Drake was a brave and skilled sea commander, a hero.

**LITERAL**—What did many of the Spanish think of Francis Drake?

» The Spanish thought of Drake as a thief and a pirate.

**LITERAL**—Was Francis Drake disliked by all of the Spanish who encountered him? How do you know?

» No, not all Spanish people disliked him. One Spanish nobleman described Drake as a “great navigator and commander,” saying that Drake treated his fellow sailors well and earned their respect.

### “Our Golden Knight,” Pages 16–17

#### Scaffold understanding as follows:

**CORE VOCABULARY**—Preview with students the meaning of the words *ambassador* and *dub*, using the image on page 17 of Elizabeth dubbing Sir Francis Drake as support.
Our Golden Knight

When Francis Drake returned to England in 1579, he was dubbed “our golden knight,” and he became Sir Francis Drake. TheSpanish considered Francis Drake a thief. But a Spanish ambassador to London called him “our golden knight.” The Spanish showered him with gifts. When Drake returned to England three years later, the Spanish considered him a thief. But Queen Elizabeth I called him “our golden knight.” The English showered him with gifts. Francis Drake left home for the voyage of his life in 1577, a trip around the world! He sailed down the west coast of Africa and then across the Atlantic Ocean and around the tip of South America and across the Pacific Ocean to reach Asia to acquire the Spanish ships were carrying.

The explorations of Drake and Raleigh provided competition for Spain as it attempted to increase the Spanish empire and continue to control the seas. Drake and other Englishmen also stole the treasures that Spanish ships were carrying.

**SUPPORT**

Display AP 1.2. Point out the location of the Pacific Ocean. Remind students about what they learned during The Age of Exploration: Asia had spices and other valuable goods that Europeans wanted. Like the Spanish, the English wanted to establish trade routes around the tip of South America and across the Pacific Ocean to reach Asia to acquire these goods. On the map, trace the route that Spanish and English ships might have taken: through the Straits of Magellan, north along South America’s western coast, across the Pacific to the Philippines, then to China or Indonesia. Return to England on the map. Starting at England’s southwestern coast, trace a route across the Atlantic to the approximate location of Virginia and North Carolina on the eastern coast of North America. Tell students this is where Walter Raleigh tried to start his colony in the Americas. Ask what ocean Walter Raleigh had to cross to reach North America. (Atlantic)

After students read the text, ask the following questions:

**LITERAL**—Why did Elizabeth I make Francis Drake a knight?

» He brought back to England riches he’d taken from Spanish ships.

**LITERAL**—What did the Englishmen who explored the Pacific Ocean hope to do?

» They hoped to establish trade routes that would bring riches to themselves and England.

**LITERAL**—What did explorer Walter Raleigh do for Elizabeth I and England?

» He tried to start a colony in North America.

**Scaffold understanding as follows:**

Read aloud the first two paragraphs of the “The Invincible Armada” on pages 17–18.

After reading these paragraphs, ask students these questions:

**LITERAL**—How did the explorations of Englishmen such as Drake and Raleigh affect Spain?

» The explorations of Drake and Raleigh provided competition for Spain as it attempted to increase the Spanish empire and continue to control the seas. Drake and other Englishmen also stole the treasures that Spanish ships were carrying.
LITERAL—What was one other reason for the tension and conflict between Spain and England?

» Mary Queen of Scots named the Spanish King Philip II as her successor to the English throne, and the pope offered King Philip gold if he conquered England.

CHALLENGE—Display a copy of AP 1.1. Why do you think Mary Queen of Scots named the Spanish King Philip II as her successor to the English throne?

» Possible response: Philip was Catholic, like Mary Queen of Scots, and Mary wanted the English throne to be occupied by a Catholic monarch. Philip II had also been married to Mary I, who held the English throne before Elizabeth. Mary Queen of Scots may have thought that the throne should have passed to Mary I’s husband instead of her half sister.

Read aloud the last four paragraphs of the “The Invincible Armada” on pages 18–20.

CORE VOCABULARY—Review with students the meaning of the words *resin* and *current* as they are encountered in the text. Tell students that *resin* is a natural substance found on trees and is often called the “sap” or “gum” of a tree.

SUPPORT—After reading the last paragraph of this section, display the World Map (AP 1.2). Have students locate Spain, the English Channel, England, Scotland, and Ireland. Ask students to refer to these locations as they explain the role of the weather in the defeat of the Spanish Armada.

After you read the text, ask the following questions:

LITERAL—What event led Spain’s King Philip to decide to invade England?

» Sir Francis Drake led a surprise attack and destroyed ships in a Spanish harbor.

EVALUATIVE—Why do you think the pope backed Philip’s plans to invade England?

» He wanted to see England returned to Catholicism.

EVALUATIVE—How did the English sailors’ knowledge of the currents help them fight the Spanish fleet?

» Because the English knew the currents of the waters where the battles took place, they could set empty ships on fire and let the ocean currents carry them toward the armada.
EVALUATIVE—What other advantage did the English have, and how did it help them defeat the armada?

» The English ships were small. They were easier to control and move than the large Spanish ships, which were huge and hard to move.

“Prayer and Thanksgiving,” Pages 20–21

Scaffold understanding as follows:

Have students read the two paragraphs of “Prayer and Thanksgiving” to themselves or with a partner.

After students read the text, ask the following questions:

LITERAL—What did Elizabeth do after the defeat of the Spanish Armada?

» Elizabeth declared a day of thanksgiving and urged people to go to church to thank God for the defeat of the Spanish, as she did.

INFERENTIAL—What does it tell you, knowing that English Catholics did not rise up against Elizabeth during the battle of the Spanish Armada?

» It suggests that Elizabeth had made progress in healing the conflicts between the Catholics and the Protestants in England.

Timeline

• Show students the Chapter 2 Timeline Card of the Spanish Armada. Read and discuss the caption.

• Review and discuss the Big Question: “Why might the Catholics in England have chosen to be loyal to their Protestant queen, rather than support King Philip of Spain?”

- Choose one of the Core Vocabulary words (galleon, nobleman, ambassador, dub, resin, or current), and write a sentence using the word.

To wrap up the lesson, ask several students to share their responses.

THE CORE LESSON 35 MIN

Introduce “The Civil War” 5 MIN

Read aloud the title of this lesson and define the term “civil war.” (a war between people who live in the same country) Explain that countries and their leaders face two different kinds of conflicts: external conflicts (conflicts with parties outside the country) and internal conflicts (conflicts between parties within the country). The Spanish Armada, which students read about in the previous chapter, was an example of an external threat and drew the people of England together.

What happens, however, when people are divided by an internal disagreement? Tell students that they will be learning more about what happened in England when it was faced with internal disagreements. Have students consider the Big Question and look for details about Parliament and Charles I as they read.

Guided Reading Supports for “The Civil War” 30 MIN

When you or a student reads aloud, always prompt students to follow along. By following along, students may acquire a greater understanding of the content. Remember to provide discussion opportunities.

“After Elizabeth,” Page 22

Scaffold understanding as follows:
Read aloud “After Elizabeth” on page 22.

“Trouble All Around,” Pages 25–27

Scaffold understanding as follows:

**SUPPORT**—Display the Tudor and Stuart Family Tree (AP 1.1) and have volunteers locate James I of England (James VI of Scotland) and Charles I. Guide students to understand the family relationship between the two monarchs. (*They were father and son.*)

**CORE VOCABULARY**—Preview the meaning of the vocabulary word *alliance.*
Have students read “Trouble All Around” on pages 25–27 silently.

**SUPPORT**—After students read the text, draw students’ attention to the end of the section and the word *Presbyterians*. Remind students that they learned about the Presbyterian Church in their study of the Reformation. While Presbyterians were Protestant, they did not share the beliefs of the Church of England. Instead, the Presbyterians were Calvinists—they followed the ideas of John Calvin—which gave them more in common with England’s Puritans.

Then ask the following questions:

**LITERAL**—What did Charles I fail to understand that Elizabeth I understood so well?

» The ruler of England needed the support of the people to stay on the throne.

**LITERAL**—Why did Charles I marry Henrietta Maria?

» He married her to form an alliance with France, the country ruled by her father.

**LITERAL**—How did Charles’s marriage create problems in the English government?

» Members of England’s government were angered by the number of priests and other Catholics that Charles’s wife brought with her to England.

**INFERENTIAL**—What was the significance of Parliament having more Puritans or men who agreed with Puritan ideas?

» The Puritans, once having had little power, now had become a powerful group.

“A Prayer Book and a Civil War,” Page 27

Scaffold understanding as follows:

Ask students to read “A Prayer Book and a Civil War ” on page 27 with a partner, referring to the vocabulary box with the meaning of the word *official* if needed.

**SUPPORT**— After students read the text, display the World Map (AP 1.2). Have students locate England and Scotland. Point out the location of London on the inset map and the region of northern England. Note that when Charles I fled, he positioned himself between two enemies: Scotland to his north and Parliament in London to his south.
which means horseman or cavalry. Cavaliers were given that name, and they were considered to be more arrogant and thoughtless as compared to Roundheads. The word comes from the Spanish world caballero, meaning soldier, and the term was originally used to describe the nobles who supported the king.

The Royalists, those who supported the king, were also called landowners or because they were afraid to take another position. Many of the people who worked on these estates supported the king as well, either out of loyalty to their estates or country. In general, nobles who had been given important positions by the king were more likely to support him, even if they thought the king was at fault.

In the early 1640s, the English Parliament and the king, King Charles I, were at odds. The king wanted to have more control over the government, while the Parliament wanted to limit the king's power. The families were divided, with some members supporting the king and others supporting Parliament. Some were loyal to the king even though they thought that he was at fault.

Most people who lived in London and other large towns had few, if any, supporters in Parliament. London was in an uproar. King Charles realized that it was not safe for him to stay in London. "I see the birds have flown," said Charles, and it was clear now that he had few, if any, supporters in Parliament. The ringleaders of what had become a rebellion were rounded up and arrested.

Soldiers on both sides lived in crowded, dirty conditions that allowed the spread of deadly diseases. Diseases often started with the soldiers and then spread to nearby towns. Soldiers also demanded taxes, food, and livestock from English villagers. This caused much suffering for the people of England.

**“Roundheads and Cavaliers,” Pages 28–29**

Scaffold understanding as follows:

Read aloud “Roundheads and Cavaliers” on pages 28–29.

**CORE VOCABULARY**—Review with students the meaning of the terms civil war and “country estate” as they are encountered.

**LITERAL**—Who were the Cavaliers? Who were the Roundheads?

» The Cavaliers were Royalists or supporters of King Charles. The Roundheads were those who supported Parliament.

**LITERAL**—How did the English Civil War worsen the daily lives of the people of England?

» Soldiers lived in crowded, dirty conditions. Diseases often started with the soldiers and then spread to nearby towns. Soldiers also demanded taxes, food, and livestock from English villagers.

**Timeline**

• Show students the four Chapter 3 Timeline Image Cards. Read and discuss the captions, making particular note of any dates.

• Review and discuss the Big Question: “Why did Parliament distrust Charles I and his wife Henrietta?”
• Post the four images to the Timeline in the 1600s section. Refer to the illustration in the Unit 6 Introduction for guidance on the placement of each image card to the Timeline.

**CHECK FOR UNDERSTANDING 10 MIN**

**Ask students to:**

• Write a short answer to the Big Question: “Why did Parliament distrust Charles I and his wife Henrietta?”
  
  » Key points students should cite include: Henrietta was a Catholic and brought a large group of priests and French Catholics to wait on her; many Puritans were members of the English Parliament, and Puritans distrusted Catholics.

• Choose one of the Core Vocabulary words (alliance, official, or civil war) or phrases (“divine right of kings” or “country estate”), and write a sentence using the word or phrase.

To wrap up the lesson, ask several students to share their responses.

**THE CORE LESSON 35 MIN**

**Introduce “The Puritan Ruler”**

5 MIN

Explain to students that in this lesson they will be reading about the outcome of the English Civil War and the direction England took in the years that followed the war.

Direct students to the Big Question: Why might Oliver Cromwell have once earned the reputation of being a dictator? Tell students to note all of Cromwell’s actions as ruler of England.

**Guided Reading Supports for “The Puritan Ruler”**

30 MIN

When you or a student reads aloud, always prompt students to follow along. By following along, students may acquire a greater understanding of the content. Remember to provide discussion opportunities.

**“The End of the War” and “Young Oliver Cromwell,” Pages 30–32**

Scaffold understanding as follows:

Read aloud “The End of the War” and the first paragraph of “Young Oliver Cromwell” on page 30.
CORE VOCABULARY—Review with students the meaning of the word *gentry* as it is encountered. Explain that the gentry were similar to a “middle class.” They had land and some social status, which put them above commoners on the social ladder, but they lacked the high status and titles of the nobility.

Invite a volunteer to read aloud the last two paragraphs of “Young Oliver Cromwell” on page 32.

After the volunteer reads the text, ask the following questions:

**INFERENTIAL**—How did the fact that the soldiers on both sides were poorly trained affect the outcome of the English Civil War?

» Possible responses: The war dragged on for four years; the fact that soldiers and even commanders had so little experience may have made Cromwell stand out even more.

**LITERAL**—How did Cromwell’s family get their land?

» Henry VIII had rewarded a Cromwell family ancestor with a large land grant for being his adviser.

“Cromwell in the Civil War,” Pages 32–34

Scaffold understanding as follows:

**CORE VOCABULARY**—Preview with students the meaning of the vocabulary word *rank*.

Then ask students to read the section “Cromwell in the Civil War” on pages 32–34 quietly or with a partner.

After students read the text, ask the following questions:

**LITERAL**—How did Cromwell rise in rank in the civil war?

» He was good at organizing and leading the fighting troops, and his soldiers won battles.

**EVALUATIVE**—How did Cromwell’s leadership reflect his Puritan beliefs and values?

» Possible responses: He exercised strict discipline. He did not allow swearing or drunkenness among his men.
Scaffold understanding as follows:

**CORE VOCABULARY**—Point out the word *treason* in the section title and explain its meaning.

**Note:** Students in Core Knowledge schools may recall the word *treason* from their reading about Benedict Arnold and the American Revolution in Grade 4.

Have students read the section with a partner.

**SUPPORT**—Direct students’ attention to the first sentence of the section, “Charles I believed that God meant for him to rule.” Ask students what name is given to that belief. (divine right of kings)

After students read the text, ask the following questions:

**LITERAL**—What did Charles I promise the Scots in return for their support?

» He made a secret deal that he would share power with them if he regained the throne.

**LITERAL**—Why was putting Charles I on trial for treason shocking to many English people?

» Many people believed in the divine right of kings. They could not accept that a king chosen by God to rule a country could betray that country and be tried for treason.

**LITERAL**—What was the verdict of the king’s trial?

» He was found guilty.

**INFERENTIAL**—What can you conclude from the fact that Cromwell’s army prevented men opposed to the king’s trial from attending the trial?

» Possible response: Cromwell was determined that the king be found guilty; Cromwell had risen to great power.

Scaffold understanding as follows:

Read aloud “The Ax Falls” on pages 35–36.

**SUPPORT**—Remind students that never before had a European king or queen been tried and executed by his or her own people. That, in part, is why Charles I’s conviction and execution were so shocking to many people.

**“The Ax Falls,” Pages 35–36**
After you read the text, ask the following question:

LITERAL—Why did Charles wear two shirts to his execution?

» It was a cold January day, and he did not want to shiver and cause the crowd to think he was afraid to die.

“Lord Protector,” Pages 36–37

Scaffold understanding as follows:

Ask student volunteers to read aloud the section “Lord Protector” on pages 36–37.

CORE VOCABULARY—Pause to explain the meaning of the terms and phrase monarchy, republic, “public policy,” dissolve, and dictator.

Note: Students in Core Knowledge schools may recall the terms republic and dictator from their Grade 3 study of Ancient Rome.

SUPPORT—Review the differences between a monarchy and a republic. Students might recall studying the Roman Republic. While they have studied about many kings and queens, the term monarchy may be new to them. Use the term monarchy in reference to kings and queens they have already studied. When King Ferdinand and Queen Isabella ruled Spain, the type of government was known as a monarchy.

After students read the text, ask the following questions:

LITERAL—How did Cromwell become Lord Protector?

» The army made him head of the country after he refused to become king.

### THE CORE LESSON 35 MIN

**Introduce “Merry Monarch and Brother”** 5 MIN

Ask students to recall the public policies of Cromwell’s Puritan government. *(Possible answers: strict keeping of the Sabbath; harsh punishments for swearing, gambling, and drinking)* Remind students that even though Cromwell did not strictly enforce these laws, people were still largely expected to obey them. Tell students that in this chapter they will read about what happened in England when people became tired of these strict laws.

Call their attention to the Big Question: Why did many people not want James II to be king? Encourage students to look for how the old religious conflict in England continued following Oliver Cromwell’s death.

**Guided Reading Supports for “Merry Monarch and Brother”** 30 MIN

When you or a student reads aloud, always prompt students to follow along. By following along, students may acquire a greater understanding of the content. Remember to provide discussion opportunities.
**“The Fugitive King,” Pages 38–40**

Does it match the description? (No. In the portrait, he has white hair instead of dark hair.) Explain that during this time period, it was the fashion for men to wear white, or powdered, wigs. Therefore, Charles II is likely wearing a wig in his portrait. If you look at his eyebrows, you can see they are dark, as his natural hair was.

**LITERAL**—What additional problem did Charles II face?

» He and his wife, the queen, had no children.

**SUPPORT**—Display the Tudor and Stuart Family Tree (AP 1.1), and have students locate Charles II and James II. Explain that usually, when a king dies, the throne passes to one of his children. In this case, the throne passed to the king's brother. Why? *(Charles II had no children. His brother James was his closest surviving relative.)*

### THE CORE LESSON 35 MIN

#### Introduce “The Glorious Revolution” 5 MIN

Ask students to recall what happened when important members of the English Parliament decided that they were unhappy with Charles I. *(A civil war broke out that resulted in the execution of the king.)* Remind students of the public reaction to the execution of King Charles I and the aftermath that involved Puritan rule and the New Model Army practically running the government.

As students read in the previous chapter, Parliament was once again unhappy with a king: James II. Tell students that a clue to how Parliament handled the situation is in the Big Question: Why was a foreign ruler invited to invade England? Encourage students to look for the answer to this question as they read.

### Guided Reading Supports for “The Glorious Revolution” 30 MIN

When you or a student reads aloud, **always** prompt students to follow along. By following along, students may acquire a greater understanding of the content. Remember to provide discussion opportunities.

**“William and Mary,” Pages 46–47**

**Scaffold understanding as follows:**

Read aloud “William and Mary” on page 46.

**SUPPORT**—Display the Tudor and Stuart Family Tree (AP 1.1), and have students find Mary, the older daughter of James II by his first wife. Remind students that James II had Protestant children by his first wife and Mary was one of these children.
After you read the text, ask the following questions:

**LITERAL**—Who did Parliament invite to invade England?

» William of Orange

**INFERENTIAL**—Why do you think the Immortal Seven chose William of Orange to invite to England?

» Parliament, including the Immortal Seven, were Protestant, and William of Orange was a Protestant hero in Europe. He was also married to the daughter of the English king, James II.

**Scaffold understanding as follows:**

Ask volunteers to read aloud the section “William’s Motives” on pages 48–49.

**CORE VOCABULARY**—Review with students the meaning of the term *English Channel*. Use the World Map (AP 1.2) to point out the location of the English Channel.

**SUPPORT**—Display the World Map (AP 1.2). Point out the location of Holland on the inset map. Explain that Holland is now called The Netherlands. It will be referred to as Holland throughout this unit because that’s what it was called at the time of the Glorious Revolution. Have students trace the route William of Orange probably took sailing to England.

After volunteers read the text, ask the following questions:

**LITERAL**—What were two concerns William had about going to England?

» He thought France would invade Holland in his absence, and he was concerned that England’s Catholic King, James II, was an ally of Catholic France.
CHAPTER 6 | THE GLORIOUS REVOLUTION

**LITERAL**—What did King James II do when William landed in England?

» He and his wife fled to France.

**INFERENTIAL**—Do you think the outcome of William landing in England was part of the original plan of the Immortal Seven?

"A King and a Queen," Pages 49–50

Scaffold understanding as follows:

**CORE VOCABULARY**—Preview the meaning of the word *heir*. Point out that because Mary was the daughter of the English king, she, not her husband, was the heir to the throne.

**NOTE**: Students in Core Knowledge schools may recall the word *heir* from their study of Medieval Europe in Grade 4.

Have students read “A King and a Queen” on pages 49–50 to themselves. After the students have finished reading the text, ask the following questions:

» They offered the crown to William and Mary together.

**EVALUATIVE**—Do you think in the 1600s it was unusual for a king and queen to rule together as equals?

» Possible response: Yes, it was. Even though previous monarchs had been married, they had ruled alone—not with their spouses.

"An Unusual Coronation," Pages 50–51

Scaffold understanding as follows:

**Invite volunteers to read aloud “An Unusual Coronation” on pages 50–51. After volunteers read the text, ask the following questions:**

**LITERAL**—What laws and religion did William and Mary promise to uphold at their coronation?

» They promised to uphold the laws of Parliament, not the laws of their ancestors. They also promised to uphold the Protestant religion.
**LITERAL**—What was the transfer of power from James II to William and Mary called?

» It was called the Glorious Revolution or the Bloodless Revolution.

**LITERAL**—How was the Glorious Revolution important to the development of democracy in England?

» It limits the power of the monarch and gives important powers to Parliament.

**LITERAL**—What does the English Bill of Rights state about a ruler and laws made by Parliament?

» It states that a ruler cannot “set aside” or ignore laws made by Parliament.

Performance Task: *England in the Golden Age*

**Teacher Directions:** Most of the major political events in England during the 1500s and 1600s were concerned with religious conflicts.

Ask students to write a brief essay that supports the idea that the events during this period were mainly conflicts among religious groups and their attempts to control the government of England. Encourage students to use their Student Reader to take notes and organize their thoughts on the Notes Table provided.

A sample table, completed with possible notes, is provided below to serve as a reference for teachers, should some prompting or scaffolding be needed to help students get started. Individual students are not expected to provide a comparable finished table. Their goal is to provide three to five specific examples of the influence of religious conflicts that shaped English history to use as the basis of their essay.

<tr>
<td><strong>Henry VIII established the Church of England.</strong></td>
<td>Henry’s action started a conflict in England that pitted Christian religious groups (Catholics, Protestants, Puritans, and even Dissenters) against each other as they worked and sometimes fought to control the government.</td>
</tr>
<tr>
<td><strong>Various Catholic rulers tried to reestablish a Catholic line of rulers.</strong></td>
<td>Queen Mary, known as “Bloody Mary,” tried to reestablish Catholicism and persecuted Protestants, Puritans, and Dissenters. Later Charles I and James II believed they were chosen to rule by God. Both married Catholic wives, which concerned Protestants, who thought they were trying to establish Catholic lineage to the throne.</td>
</tr>
<tr>
<td><strong>The Reign of Elizabeth I</strong></td>
<td>Resolving conflicts between Catholics and Protestants was a major issue for Elizabeth during her reign. She reestablished the Church of England and included parts of both Catholic and Protestant church practices. Elizabeth did not persecute Catholics, Puritans, or Dissenters. Catholic Spain attempted to invade Protestant England, but the English navy defeated the Spanish Armada.</td>
</tr>
